## Teachers To Attend Area Conference

An area conference and workshop for the Texas Classroom Teachers Association is expected to draw about 800 teachers from the Panhandle and South Plains area to West Texas State University in Canyon this Saturday.

The Texas Classroom Teachers Association and the Texas Education Agency will sponsor the conference and workshop that will begin at 9 a.m. with a general session in the auditorium of the Administration Building on campus. Dr. Charles Dent, professor at the University of Texas, will be the main speaker at the general session.

The Canyon Classroom Teachers Association will be host for the convention. Mrs. Betty Brown, president of the local group, announced that the hosts will present programs to area teachers and assist with seating and usher duties for the convention.

The Canyon High School Future Teachers of America chapter and the chapter of the Student Education Association at West Texas State University will assist the Canyon Classroom Teacher Association.

Following the general session several discussion groups dealing with 23 different areas on instruction are scheduled in three campus buildings. The workshop session will deal with development of standards in each curricular area and participation of teachers at each level and in various subject fields.

Dr. Emmitt D. Smith, director of program development and public information at WTSU, will be co-ordinating the program schedule. David Lasher and Claudia Neelley, University professors, will be discussion leaders for two of the 23 conference groups.

The discussion groups will be held from 11 a.m. until 1:30 p.m. when the group will be dismissed for a luncheon. The area conference is one of four that are being held throughout the state.

## Boys Fined In School Vandalism

Two high school boys—one from Hereford and one from Canyon—have been fined in connection with vandalism at Canyon High School a week ago Saturday night.

Judge Wayland Angel assessed a fine of \$100 and 10 days in jail.

The boys also are being required to make restitution for about \$150 worth of damage. In the vandalism lockers were emptied and contents strewn in the hallways.

## Two Lair Children Break Arms

Two broken arms in one day—this dubious distinction belongs to the A.W. Lair family.

Susan, 11 years old, was jumping a rope at grade school Friday afternoon when she fell and broke her right arm. It was the third fracture of the same arm in the same place. She is right-handed.

Gregg, 12, went roller skating Friday night with the J.C. Bellah family. He fell and broke his left arm. You guessed it, Gregg is left-handed.

## Two Attend Conference

Mrs. Edith Eckhardt, executive secretary of the Panhandle Heritage Foundation, and Mrs. William A. Moore left this week for a two-day conference in Chapel Hill, North Carolina.

The meeting which is scheduled for October 4-5, is being held under the auspices of the Institute of Outdoor Drama at the University of North Carolina for managers and producers of the shows similar to the Heritage Foundation production planned for next summer at Palo Duro Canyon.

Representatives from shows by Paul Green, internationally known symphonic playwright who is in charge of the local production, will gather to discuss the producing aspects of the shows currently running. The managers will also bring their budgets and financial reports for consideration, which will enable the representatives from Canyon to compare the Panhandle show with other productions.

Mrs. Moore will assist her husband, William Moore of Canyon, in directing the story of the Panhandle history next summer.

## Expert Offers Aid On Buff Bowl Turf

BY TROY MARTIN  
An internationally known authority on grasses has volunteered his help in doctoring the turf at Buffalo Bowl.

He is Dr. T.C. Longnecker of Idabel, Oklahoma, who for many years was responsible for the turf at the Cotton Bowl in Dallas.

Dr. Longnecker has given advice on fertilizing, mowing and watering. He strongly advised use only of commercial fertilizer.

He said grass should be mowed to about 1 1/2 inches in height during football season.

Longnecker advised watering the field until soil is wet to 8 to 10 inches and that no more water be applied until the ground has dried to a depth of 6 inches. He pointed out that this stimulates deep root growth and prevents weed seed germination.

# Probe Girl's Death

## Mama Helps, Car Slams Into House

Mrs. C.D. Schnack started to help her daughter, Nancy, 14 years old, turn a corner Sunday noon at the intersection of Conner Drive and Holman Lane.

The results were devastating. Nancy was learning to drive in the family car with Mrs. Schnack beside her and a young brother, Kirk, in the back seat. Mrs. Schnack saw a car parked across the street and feared that Nancy might hit it. She told officers she grabbed the wheel in an effort to avert an accident.

The car veered across the Gerald Hemphill lawn and hit the corner of the Hemphill house.

Kirk suffered a cut lip and Mrs. Schnack a cut on the head. They were treated at Neblett Hospital and dismissed. Nancy was unhurt.

Mrs. Hemphill was in the bedroom, the corner of which was struck by the car.

"I thought it was a sonic boom," she related. "Only it was louder and much closer. Then I knew something had hit. I scooted out."

If the car had hit the home a few feet to the right of the point of impact it would have gone through a large, low bedroom window and into the house.

Sherry Hemphill was asleep in another room. She was awakened by the crash.

Barbara Fisk, 12, who lives up the street, said she heard tires squeal on the pavement about the time of the accident.

One brick on the house was chipped. The wall was cracked slightly. Damage to the front of the car was heavy.

Asa Atchley, city patrolman, is shown here taking information from Mrs. Gerald Hemphill whose home was struck by a car Sunday. The car was driven by Nancy Schanck. Two passengers suffered minor injury.

## Initial Cost \$100,000

# Greenhouse Being Built

BY MARGO WILLIAMS  
Construction on a \$100,000 greenhouse will begin next week 4 1/2 miles north of Canyon on the V.F.W. road.

The greenhouse, which will begin operation February 1, 1964, will supply retail florists in the Amarillo and Lubbock area with potted plants which will be grown at the local green house.

Principal stockholders, A.W. Lair and Jim Irwin have estimated that the construction will be completed by November 15, and production will begin by the first of February.

Five greenhouses make up construction, each 38 feet wide and 131 feet in length. A service building will be included bringing the total area to 26,410 square feet.

The houses will be covered with fiber glass, which resists hail better than glass pane. Irwin has determined that nearly 5 percent of the space in the greenhouse will be devoted to year around pot plants.

"We will produce about 600 pots a week in three different sizes and types," Irwin said.

Other year around plants which will be available to area retail florists are kalanchoes, begonias, gloxinias, and aphantras. Holiday crops which

will be grown and sold will be Easter lilies and hydrangeas, and poinsettias for Christmas. Azalias and dutch bulbs will be available in season.

One of the most advanced methods of watering and fertilizing will be used in the new greenhouse operation. Automated controls will supply water to nearly 500 plants at one time. An injection system will make possible the adding of a minute amount of fertilizer to the water, enabling the plants to be fertilized and watered in the same process.

"Our set up will be as automated as possible for a greenhouse. With our watering system, we can turn on one valve and at least 500 plants can be watered at the same time. That way we will have no need for hand watering," Irwin stated.

An air conditioning system will be necessary in the buildings. Fans will be installed at one end of the room and wet pads will be put in the other end. Air blowing through the pads will cool and keep the plants at a certain temperature, according to Irwin.

Plants will be trucked to

Amarillo and Lubbock on regular schedules with equipment from the Canyon greenhouse. Shipments to more distant points will be made by motor freight and rail.

"Our trade area will extend from Liberal, Kansas east to the Oklahoma border, south to Lubbock and west to Clovis," Irwin explained.

Irwin is a graduate of Ohio State University where he majored in floriculture. He was head grower and production manager in a large wholesale greenhouse in Guthrie, Oklahoma for 15 years before coming to Canyon this year.

In discussing the reasons for picking Canyon, Irwin explained that after studying both the Lubbock and Amarillo areas, he chose Canyon because of the better supply of water.

"The water in this area is superior to that in Lubbock or it was a year and a half ago when I was checking into it," he said.

The new business will employ an average of 4 persons during the year, and plants and materials will be brought in from such states as California and Florida.

# Autopsy Reveals Cyanide, Arsenic

Nancy Ladehoff died of cyanide and arsenic poison.

The 15-year-old Vega high school girl was pronounced dead on arrival at Neblett Hospital here Wednesday evening of last week.

Texas Rangers and officers of two counties still are investigating the rather mysterious circumstances surrounding the girl's death.

Justice of the Peace Bill Wilson this week said he will return a coroner's verdict based on the findings of an autopsy. He said his verdict will indicate that the Ladehoff girl died of cyanide and arsenic poison "administered by undetermined means."

Conducting an investigation of the poisoning death are Texas Ranger Butch Albers of Canyon, Deaf Smith County Sheriff Lowell Sharp of Hereford and Randall County officers.

Miss Ladehoff was found about 6:55 o'clock by her mother, Mrs. Donald Ladehoff, and her brother, Donnie. Mrs. Ladehoff told officers she returned home from Canyon with Donnie, who is attending college here, to find her daughter lying unconscious on the kitchen floor of the family home.

The Ladehoff home is located about 5 miles south of Wildorado in Deaf Smith County.

Mrs. Ladehoff was quoted by officers as having said Nancy's books and a glass of water were found on a table near the girl.

The telephone was off the hook near where Miss Ladehoff was found.

Mrs. Ladehoff said she tried to revive the girl thinking she had fainted. When Nancy failed to revive, Mrs. Ladehoff told Donnie to get the family car ready and she called Neblett Hospital.

Officers quoted Mrs. Ladehoff as saying the girl was alive at least during the first part of the trip to the hospital. Officers said the Ladehoffs arrived at the hospital about 7:30 o'clock. Nancy was pronounced dead on arrival.

The woman who drives the school bus which Nancy rode to and from Vega School said Nancy got off the bus about

5:30 o'clock that fatal afternoon.

She was cheerful, even gay. "I'll see you tomorrow," she was quoted as having said to the driver.

Wilson ordered an autopsy. Chemists found that the girl was a victim of a massive dose of cyanide and arsenic.

A glass of water on the table in the room where the child was found was analyzed but showed no trace of poison.

Other items of evidence have been sent to the laboratory. Officers declined to reveal the nature of evidence under analysis.

Authorities said the investigation is continuing this week. Further comment was declined.

Funeral services were held Friday of last week in Vega First Methodist Church. Officiating was Rev. Jack Cox, minister of Amarillo Central Christian Church, assisted by Rev. R.H. Meixner, pastor of Vega First Methodist Church. Burial was in Memorial Park Cemetery in Amarillo under direction of LaGrone Funeral Home of Canyon.

Pallbearers were Cecil Rorak, Loyd Glass, Wayne Cook, Gene Haliburton, Ben Moore and Duane Allread.

Miss Ladehoff was born June 28, 1948 in Amarillo. At the time of her death she was a Vega High School student.

She is survived by her parents and her brother.

## Sausage Festival Planned

Umberger folks this week made sauer kraut for the Umberger Sausage Festival which will be held Nov. 10.

E.N. Reinhardt and Bernard Wilhelm are co-chairmen for the festival this year.

Ed Wieck and Leonard Batenhorst are co-chairmen of the publicity committee. Wieck said plans are being made to speed up serving at this year's festival.

Serving will be from 11 o'clock in the morning until 4 o'clock in the afternoon.

# Charter Is Sought For New State Bank

Application for charter for a new bank in Canyon to be known as Security Bank & Trust Company is expected the latter part of the week.

The application will be filed with the State Banking Commission in Austin.

Taking a leading part in organizing the new bank, which will have a capitalization of \$375,000, is J.O. Gilham, a prominent Brownfield banker.

Several area men are members of the board of directors. These include L.L. Jones, Newton Harrell and Dr. J. Manly Bryan.

Harrell already is serving as a director of the American National Bank in Amarillo. He once served as a member of the board of regents which governs West Texas State University and several other state schools.

L.G. Smith of Brownfield is projected as president of the new bank providing a charter is granted.

Smith presently is serving as vice-president of the Brownfield Bank & Trust Company.

Others on the board include Jack Gray of Lubbock and J.C. Powell, Jr., Roswell, NM.

Gilham is well known in Texas banking circles. He is president of the Brownfield State Bank & Trust Company of Brownfield, president of the

Brownfield Savings and Loan Association and president of the Yukon State Bank at Denver, City.

He has been associated with the banking business for more than 40 years and once attended West Texas State College. He is a native of Armstrong County, having been born at Wayside. For several years he served as cashier for the First State Bank at Happy.

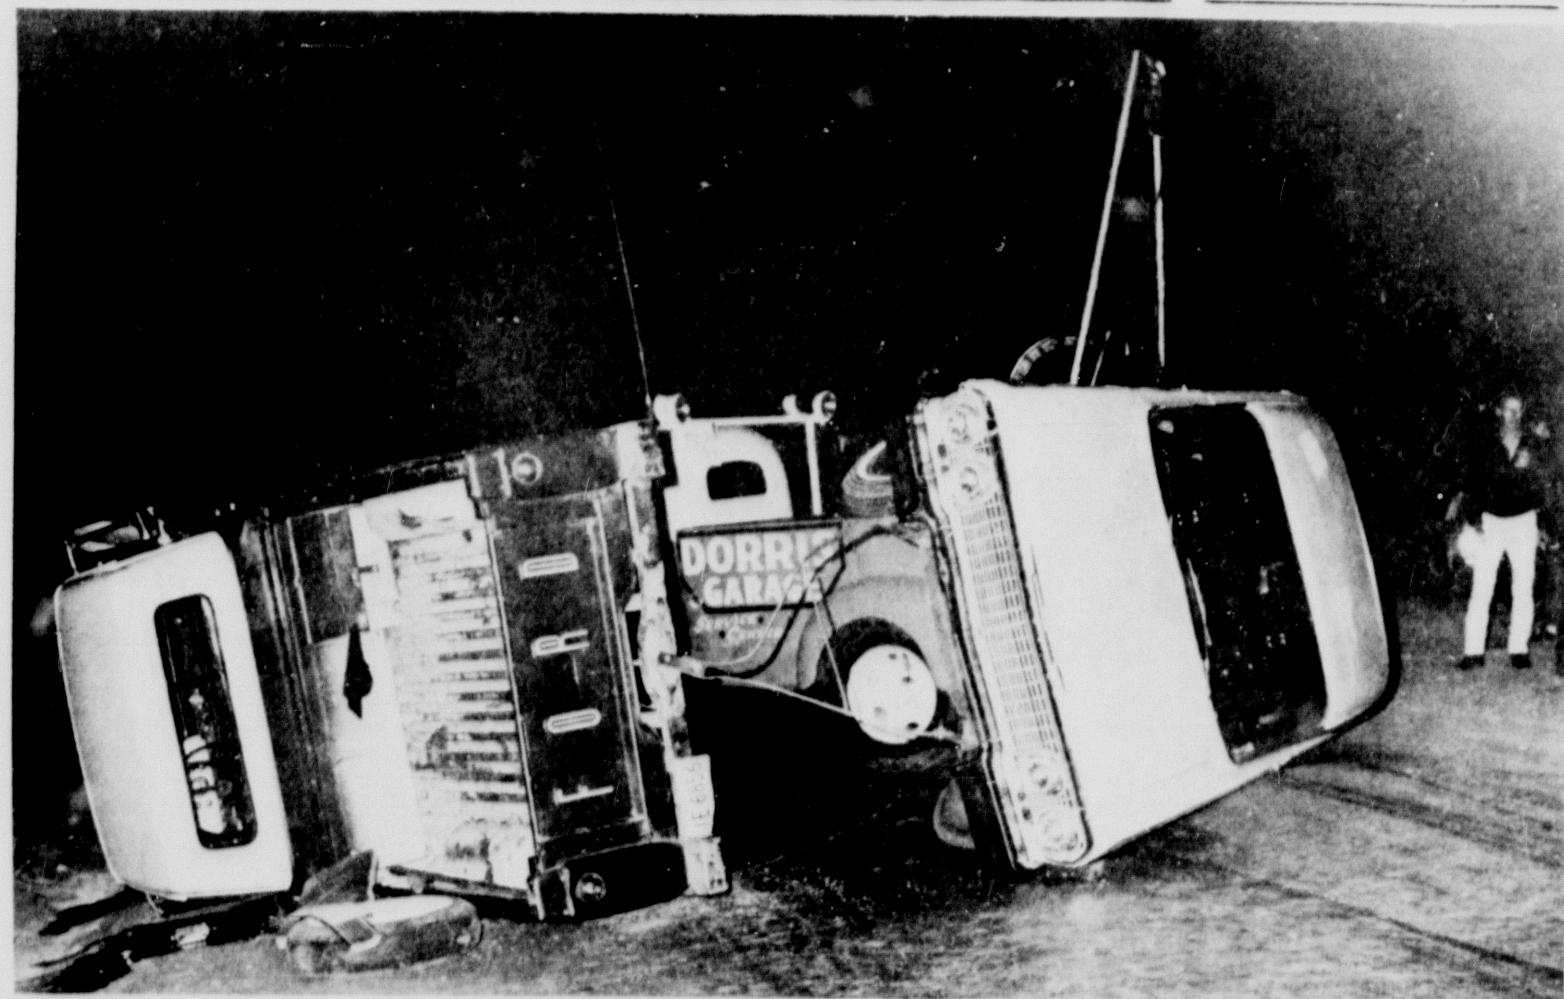

He is projected as chairman of the board of the proposed new bank here if a charter is granted.

## City Tax Lots Sold

Some 18 tracts of land on which taxes were delinquent were put on the auction block Tuesday by the city of Canyon.

City Attorney A.W. Lair said the lots brought about \$5,480.

He said this will be enough to satisfy city tax demands but he does not know whether there will be enough to satisfy tax claims by other governmental subdivisions.

TOPSY-TURVEY was the situation Monday night when a pickup driven by Danny Gail Schoey of Amarillo overturned at the intersection of highways 87 and 60 north of Canyon. The pickup was towing a car which also overturned when the pickup attempted to stop too quickly. The car being towed fishtailed causing both vehicles to leave the road. Passengers in the pickup were Gerald Umsted and Larry Bass.

# Bufs Want Eagle Feathers Saturday

BY JOHN SHIELDS

West Texas State will square off against North Texas State University at 7:30 p.m. Saturday in Buffalo Bowl.

The Bufs will be out to avenge a 20-13 upset by the Eagles last season. It marked a near-perfect 9-2 record.

So the Bufs should be ready, willing and eager to clip some Eagle wings Saturday. If not the Eagles are very capable of sending the Buffaloes to their first loss this season.

West Texas halfback Pete Pedro is presently the national major college rushing leader. He has gained 301 yards in only two games. He may have a tough time holding his lead with a toughie like North Texas next on the list.

Pro scouts have already declared the North Texas backfield the most likely college backfield to break into the pro ranks this year.

Three of its linemen are also top pro prospects. The Eagles forward wall will average 226 pounds per man.

But West Texas faced a 227 pound line last week when it blasted University of the Pacific, 32-8.

West Texas has also posted a 22-17 win over Arlington State. North Texas was upset in its opener by Texas Western, 34-7. It came back to blast Louisville 26-7. Both teams are in the Missouri Valley Conference.

Average for the starting North Texas backfield will be 190 pounds. West Texas will average 184.

"The Eagles have six outstanding backs," scouting coach Joe Rector stated. "All of them are a definite threat each time they have the ball. They are fast and have tremendous size."

Fullback for the Eagles will be leading ground gainer in the Missouri Valley Conference last season, Dwain Bean. He is a 6'0, 200 pounder.

Left halfback is 6'2, 190 pound Bobby Smith. He runs the century in 9.6. His rushing average in the Louisville contest was 13.5 yards per carry.

Jim Littlepage, Smith's replacement, racked up 13.4 yards per carry in the same game. He is a 195 pounder.

Halfback A.D. Whitfield was injured and didn't play against

## Hilltop Views

This is a story about religion (not sectarianism, not churchism) in a state college.

R.B. Cousins, a graduate of the University of Georgia, town and city school superintendent in Texas for some 20 years, and State Superintendent of Public Instruction for 5 years, was the founder and first president of West Texas State. He was a man of high moral and spiritual ideals, a faithful student of the Bible, a Sunday School teacher, and a frequent speaker in pulpits. He was a faithful member of the Methodist Church, though one would never know it by his impassioned biblical interpretations and inspirational addresses before his assembled faculty and students 5 days a week.

His non-sectarianism is well illustrated in his choice of faculty members. Of the sixteen members of his first faculty there were 5 Baptists, one of whom became Dean of the College, one became Dean of Women, and a third he selected for his successor when he retired. A Methodist professor of Latin usually served as president in Cousins' absence. A former president of a Disciples College was a department head who later became president of the largest Texas Teachers College. Another department head was a leading Presbyterian and later state senator. Still another Presbyterian was head of the English Department and later became President of Sul Ross College. There was one Catholic—a dynamic leader who promoted the building of a Catholic Church in Canyon and who enjoyed state wide recognition for his educational leadership in South Texas.

Throughout the staff there was Judaeo-Christian as well as educational leadership, but there was absolutely no sectarian or denominational bias. Here was a state school that purposefully inculcated moral and spiritual concepts and exerted a positive Christian influence without even the semblance of union between church and state.

When President Cousins' successor became chief administrator in 1918 he tried as best he could to step in his predecessor's tracks. He continued chapel exercises, consisting of Bible readings, singing of hymns and patriotic songs, prayers, and sometimes talks by ministers. Local pastors were invited to the platform at the beginning of each session and made announcements of their respective services and invited students and faculty. As often as possible instructors of national distinction were brought to the platform for one or more lectures—all of this in the interest of cultural and spiritual growth on the campus.

The drought and depression of the 1930s seemed to result in a lowering of student morale. To the President there appeared to be a growing spirit of restlessness and dissatisfaction, even among a few faculty members. Traditional institutional camaraderie was declining. In short the moral and spiritual life on the campus was below par.

After consultation with a few of the administrative staff it was decided to try to do something to improve the situation. A program known as Religious Emphasis Week was being tried in a Midwestern State University. In 1938 its likeness was brought to the Canyon campus, the first thing of its kind among state institutions of higher learning in Texas. Fourteen clergymen, representing 7 denominations participated. Local churches supplemented college plant facilities, including conference rooms, class rooms, offices and other accommodations. Special inspirational services were held at night in some of the churches and at assembly in the college auditorium each day for five days the week.

This program in modified form has survived these 25 years and if its constitutionality has ever been questioned this writer has not heard of it. The college newspaper rightly observed that "Religion is not overlooked in one state institution." Furthermore, "Religious Emphasis Week" is now observed on many other campuses in this state.

During World War II a great deal of post-war planning was done. Among the things that these plans included was a chapel—a small non-denominational building that would emphasize moral and spiritual values. It would be a place to which students and faculty could repair at will for private meditation; a place where student religious groups could meet and conduct such services as they saw fit; a place for special programs on such occasions as Thanksgiving, Christmas, Easter, etc.; a facility that would broadcast to the campus at least once a week a program of sacred and / or patriotic, and / or classical music; a place for student weddings under conditions that recognized the sacredness of marriage vows; a beautiful and inspiring structure that would proclaim to all comers that Deity has an important place in education and in life.

Since the state could not appropriate money for religious projects it was necessary to stage a campaign for private contributions. The President of the College was invited to speak to Tulsa Kiwanis. He chose to talk about West Texas State building plans, including the proposed chapel. When he closed Dr. R.T. McCasland, a dentist, requested him to come by the office. There the President received a check for \$300, and was urged "to get that chapel going".

That check was followed by more than 700 others for a total of about \$50,000; and not a single personal solicitation was made; only public appeals to clubs, churches, and other organizations and the distribution of circulars, brochures, etc. Many ministers and business and professional men gave the project fine support. A local pastor was the only person that criticized. He ranted the church—state issue and was told that no church whatsoever would have the least jurisdiction over the chapel or its program—no pastor, no deacon, no elder, no baptism, no budget, no Lord's supper, nor anything that would suggest denominationalism. Its use would be devoted to the preservation and cultivation of those moral and spiritual qualities that our forefathers put into this government's fundamental law. "If this be treason, make the most of it."

### LETTER TO THE EDITOR

Dear Editor:

Senator William Fulbright was recently quoted as saying, "Extreme nationalism and dogmatic ideology are luxuries that the human race can no longer afford. It must turn its energies now to the politics of survival." Fulbright, having attended Oxford as a Rhodes scholar, stated this in urging the ratification of the Test Ban Treaty, better known as the Treaty of Moscow.

This is a senator, a representative of the American people, with ideas as far from the American ideas as possible. He urges us to peacefully give up our freedom in order to live. Is this living?

In an elusive manner, this treaty will place all of our military strength in the hands of the United Nations. Many people do not realize that the United Nations does not serve the real purpose in which it was supposedly established. Anyone that doubts this fact can readily obtain information from the Freedom's Center in Amarillo. We urge you to investigate for yourself what goes on in the U.N., and what the U.N. is or is not accomplishing.

Can you believe that these senators, AMERICANS, have actually passed such an UN-AMERICAN treaty?

### Reward For Vandals

(An Editorial)

Havoc wrought by youthful pranksters—damaging though it is—we can understand and forgive.

A recent outrage in Dreamland Cemetery we do not understand and will find exceedingly hard to forget. Several graves, including those of two babies and a war veteran, were desecrated.

"It is one of the lowest things we have ever investigated," said a Randall County deputy. The vandals went so far as to break the little lamb off one baby headstone and the bronze booties off another.

We are going to find sympathy hard to muster when these grave desecrators finally are laid by the heels. We strongly suggest that those found guilty be sentenced to walk from the south limits of Canyon once each week for a month and there on each trip to put in eight hours of labor beautifying the cemetery they enjoyed vandalizing so much.

The Canyon News offers \$50 reward for information leading to the arrest and conviction of those guilty of the outrage at Dreamland Cemetery two weeks ago Wednesday night. We invite other people of Canyon to join us in putting up reward money for such purpose.

## FROM THE CANYON RIM

Time for the Umbarger Sausage Festival is just a little more than a month away.

Ed Wieck was by the office this week. He and Leonard Batenhorst are co-chairmen for publicity for the undertaking.

Ed says sauer kraut already is being made for the festival. The fall festival always features tangy sauer kraut, succulent sausages made by secret recipe and pies that will melt in your mouth.

It's one time a year when the community gets together for lunch. We're looking forward to it. Ed tells us that plans are being made to feed faster this year so there shouldn't be such a long wait in line.

Chuck Allen, the banker, called us Tuesday to find out what is meant by the fourth estate as applied to newspaper people.

In the old days there were, in order of rank, royalty, first nobility, second; the clergy, third; and men of letters, fourth. Justly or unjustly that is how we in the newspaper profession became known as members of the fourth estate.

Long suit of the Russians these days is to take credit for inventing everything from vodka to the airplane. To hear them tell it, the bicycle floundered on square wheels until Lenin proclaimed the glorious revolution.

Well, we have news for the Russians. Texas has a senior senator so good at spinning fables that old Aesop himself would be hard put to top him.

We're speaking of none other than garrulous Ralph Yarborough who is willing to take credit for anything that's not tied down.

We could hardly believe our ears the other night when we heard the senator on a TV program taking a big chunk of credit for the Canadian River

Dam project.

It so happens that we were on hand the day the site of the Canadian River Dam was announced. Ralph Yarborough hadn't even appeared on the political horizon. His name was not even mentioned at the gathering which was historic in so far as the Canadian River Dam is concerned.

We were covering the meeting for The Amarillo Globe-News. Fred Schofield, now with The Globe-Times, was covering for the old Amarillo Times.

Our partner on the story, there to get comments on the commercial aspect of the development for his business column in The Globe, was none other than Thomas Hazard Thompson, presently editor of the Amarillo afternoon paper.

### Parents' Weekend At West Texas

Parents of West Texas State University students will be guests on the campus Saturday (Oct. 5), for "Moms and Dads' Day," an observance started about four years ago by the WTSU student government.

Climax of an afternoon's events will be the Buffalo-North Texas State University football game Saturday at 7:30 p.m. Students may purchase tickets for their parents at a reduced rate, so that families may sit together in the stadium.

Activities start at 2 p.m. with registration in the Student Union Building, where parents will be greeted until 5 p.m. Open house of campus buildings will be observed from 2 until 4 p.m., and a reception for visitors by faculty and students will be held from 3 until 4:30 p.m. in the Student Union Building.

### Bands To Perform Saturday

The 104-piece Buffalo Band will appear at halftime Saturday night when the Buffs meet North Texas State University at Buffalo Bowl.

The band will perform a series of precision drills while giving the tradition salute to the opposing school. A whirlwind formation will precede the forming of the letters NTSU and the band will play "Hi Neighbor".

At the close of the performance the band will form the WTSU monogram.

The Hereford High School band directed by Benny Colleton will give the pre-game ceremonies. Colleton is a recent graduate of WT.

Sharing the halftime spotlight with the Buff Band will be the Denver City High School band under the direction of Gene Smith. Each band will perform approximately 6 1/2 minutes, according to Gary Garner, Buff Band director.

Mr. and Mrs. Albert Byars have returned from a two week vacation trip to California where they visited with their daughter's family, the Crawford Kikers, who are former Canyon residents.

They also visited with a number of friends in Los Angeles, California before returning to Canyon.

NEW OFFICERS for the Women's Book Club of Canyon are shown seated left to right, Mrs. E.K. Snider, treasurer, and Mrs. K.E. Hines, first vice president. From left to right standing are Mrs. Claude Boatman, secretary; Mrs. R.A. Neblett, district chairman of scholarship, and Mrs. Emilio Caballero, president. Not pictured are Mrs. Joe Finley, parliamentarian and Mrs. Alfred Bellah, federation counselor.

## Book Club Began Year With Program Last Week

"Knowing Our Times" is the theme of the new yearbooks of the Women's Book Club that were distributed to members at their first program on Wednesday afternoon of last week at the Panhandle Plains Museum.

Mrs. Emilio Caballero, president, presided during the business meeting. Mrs. L.H. Brotherton, chairman of the Calendar and Yearbook committee, gave a preview of the year's programs.

Mrs. M.J. Noel discussed "The Connally Amendment" at the meeting.

The District Board and Workshop meeting for Federated Women's Clubs was discussed at the meeting. The workshop will be held at the First Baptist Church of Canyon on October 3rd. The Women's Book Club will be in charge of the noon luncheon and decorations of the dining room.

The Women's Book Club of Canyon was organized in 1906 and joined the State Federation in 1915. The club meets on the second and fourth Wednesdays of each month during the club year at the Panhandle Plains Museum. It has a membership of 40.

Officers who will head the club this year are Mrs. Emilio Caballero, president; Mrs. K.E.

Hines, vice president; Mrs. Claude Boatman, secretary; Mrs. E.K. Snider, treasurer; Mrs. Joseph Findley, parliamentarian; and Mrs. Alfred Bellah, Federation counselor. Representatives on the County Library Board are Mrs. L.H. Owens, Mrs. Emilio Caballero, and Mrs. Ray Campbell. Mrs. R.A. Neblett is the district chairman of scholarships.

Committees serving the club this season are the Calendar and Yearbook, Mrs. L.H. Brotherton, Mrs. Joseph Findley, Mrs. K.E. Hines, Mrs. T.B. McCarter, Mrs. Emilio Caballero, Membership committee, Mrs. Frank Morgan, Mrs. W.C. Hubbard, and Mrs. Alfred Bellah; Telephone committee, Mrs. Fred Standley, Mrs. Mary Bonnie, Mrs. L.H. Owens, and Mrs. Ray Campbell; Remembrance committee, Mrs. R.A. Neblett, Mrs. S.H. Condon, and Mrs. C.A. Murray; and Mrs. E.J. Larson is in charge of publicity for the club.

Mrs. H.T. Carr was a guest at the first club program last week. Members present included Mesdames L.H. Brotherton, Claude Boatman, C.R. Burrow, Emilio Caballero, H.L. Calder, Ray Campbell, H.E. Campfield, S.H. Condon, J.T. Graham, K.E. Hines, E.J. Larson, S.B. Louder, C.F.

## Garden Club Meet Thursday

A "plant exchange" will be part of the program for members of the Canyon Garden Club at their meeting on Thursday evening of next week at the home of Mrs. Joe Frank, 1714 5th Avenue.

Mrs. Mary P. Bonnie will be co-hostess for the meeting that will begin at 7:30 p.m. The roll call will be on plants that are propagated by cuttings.

Daylilies will be the topic of the program given by Mrs. R.A. Neblett at the meeting. Dr. Leta Boswell will be in charge of the plant exchange. All club members are invited to attend.

## Miss Retha Travis Weds D.H. Cloward

Corporal and Mrs. Don Hayes Cloward are at home in Fort Carson, Colorado following their marriage ceremony at

LaGrange Methodist Church in LaGrange, Indiana on September 11.

The bride is the former Retha Travis, daughter of Mr. and Mrs. Oshell Travis of Bellevue, Ohio. Parents of the bridegroom are Mr. and Mrs. Don S. Cloward of Canyon.

The double ring ceremony was read before an altar decorated with white roses and carnations and flanked by white and silver candelabra.

A white floor-length chiffon gown, with sheer shoulder panels cascading formed the chapel train of the bride's wedding dress. The midriff was embroidered with tiny seed pearls. She wore white roses as her headpiece and carried a bridal bouquet of white roses and carnations atop a white Bible. The bride also carried a white linen handkerchief that was carried by the bridegroom's mother at her wedding ceremony.

Following the wedding ceremony, the wedding party had a buffet dinner at Church Priests Town House Chalet in Angola, Indiana.

The bride is a graduate of Bellevue High School in Ohio and served as secretary to the high school principal for two years following graduation. Her husband completed his high school education in the Army and is now a Corporal in the Signal Corp. at Fort Carson, Colorado where the couple will make their home.

## Mothers -In-Law

Canyon Mother-in-Law Club will have a meeting on October 10th at the home of Mrs. C.W. Dunn, 1800 4th Avenue.

The meeting will begin at 4 p.m. Members are requested to bring covered dishes to the meeting for a picnic outing at the Palo Duro Club following the business meeting.

## Baptists Hosts Women's District Board Meeting

Mrs. E.H. Morris of Canadian, president of the Top Of Texas District of Federated Women's Clubs, will preside at the district board meeting and workshop at the First Baptist Church of Canyon today (Thursday).

Milton "Buff" Morris will discuss the Opportunity Plan and the Lola B. Mundy scholarship during the program.

Mrs. Ples Harper will give a report on the amphitheater and program that is planned to begin production next summer.

An excerpt from the "Common Glory", an outdoor play written by Paul Green, will be presented by William A. Moore and several students from West Texas State University.

Canyon Federated Clubs will be hostesses for the all-day workshop meeting and luncheon. Canyon clubs participating will be the Woman's Book Club, the Sue Hite Club, the Junior Woman's Book Club and the Canyon Study Club.

Registration will begin at 8:45 a.m. in the foyer of the First Baptist Church with members of the Sue Hite Club in charge. Registration fee for the workshop will be \$1.50 and luncheon tickets are \$1.75.

Canyon Study Club will distribute favor packages at the

registration. The packages will contain pencils, pads and other merchandise donated by local merchants. The Chamber of Commerce of Canyon has contributed information leaflets about the area and its scenic sites to be distributed at the meeting.

The noon luncheon will be directed by the Woman's Book Club of Canyon. A morning coffee will be sponsored by the Junior Woman's Book Club. The club will also be hostess for a "coke for the road" as the meeting dismisses this afternoon.

## Sororities Begin Rush

Open rush for West Texas State sororities begins Monday at 8 a.m. with registration for all interested rushees.

Rushees will sign up in the Panhellenic office located in the office of the Dean of Women in the Administration Building at WT Monday and Tuesday from 8 a.m. to 5 p.m. each day.

Rushing begins at 12:30 p.m. on Thursday, October 10, and rushees sign preferential cards in the Panhellenic office at 4 p.m. Friday, October 18. Rushees will pick up invitations to pledge in the Panhellenic office at 6 p.m. Friday.

## Social Planned

### For WT Students

"I've Got A Secret" will be the theme for a get-acquainted social to be sponsored by the young people of the Assembly of God Church of Canyon on Thursday evening (tonight).

Charles Wagner, president of the youth work at the church, will act as the master of ceremonies for the event.

All college students who are affiliated with the religion are urged to attend the social program. Refreshments will be served following the meeting.

## Zeta Tau Alpha Alumnae Meet

The annual fall supper for the Zeta Tau Alpha college chapter was held at the Bernard Warren home Monday evening with the alumnae chapter acting as hostesses.

Chicken spaghetti, salad, garlic bread, coffee and watermelon were served buffet style on the patio to about thirty Delta Eta members present.

Special guests at the supper were the Spring pledges who had just completed their formal initiation.

# Merchant Of Venice By BIT Cast Begins Wednesday

Opening the fall season for the Branding Iron Theatre at West Texas State University will be Shakespeare's "The Merchant of Venice," a comedy-drama which closed out the summer theatre season. Performances are scheduled Oct. 9-12.

Directed by William A. and Margaret Echols Moore, the production will feature almost all of the original cast who performed during the August show. Seats will be reserved for all four performances, and reservations may be made through the WTSU speech department.

Two veterans of Shakespearean casts, Jerry Ballow of Perryton and Marilyn Pool of Amarillo, will appear in the roles of Bassanio and Portia. Harry Gilstrap of Amarillo, who has had numerous roles in BIT productions for the past four years, will play the difficult part of Shylock.

Sets for the show have been designed by Erin Wertenberger, Hereford senior, who has acted for three years as BIT technical director. Music is by Linda Adams of Canadian.

Other cast members include Don McPherson of Amarillo as Antonio; Mike Connell of Muleshoe as Salanio; Bob Haggard of Canyon as Salanio; WAM Moore of Canyon as Gratiano; Nancy Davis of Canyon as Nerissa; Jenny Lynn Massad of Spearman as Jessica; Lewis Waggoner of Perryton as Balhazar; Johnny Boroumand of Iran as the Prince of Morocco.

Ben Lokey of Amarillo as Lancelot Gobbo; Carroll Killingsworth of Happy as Old Gobbo; Jackie Fuqua of Pampa as Leonardo; Martin McDonald of Brownfield as the Prince of Aragon; Earl McDavid of Amarillo as the Duke of Venice; Russell Killingsworth of Happy as a page; and Rose Ellen Parker of Canyon, Rita Stubbfield of Hale Center, and Carolyn Vinson of Panhandle as ladies-in-waiting.

Terms of a loan are explained by Shylock, at right to Bassanio in a scene from "The Merchant of Venice," Shakespeare's comedy-drama which opens the fall season in the Branding Iron Theatre at West Texas State University. Four performances, opening Oct. 9 and continuing through Oct. 12, at 8:15 p.m., are planned. Shylock is played by Harry Gilstrap of Amarillo and Bassanio by Jerry Ballow of Perryton. Director is William A. Moore, and reservations may be made through the WTSU speech department.

Members of the sorority will present a short musical program at 5 p.m. and then adjourn to the Trail Restaurant for a dinner. All patrons of the sorority are invited to attend the program and dinner.

## Chapel Is Year Old

Faith Chapel was established one year ago and has established a regular schedule of worship services under the guidance of Rev. Marcus Adair, pastor.

"The church attendance has increased steadily throughout the past year," commented Rev. Adair. "We place emphasis on the importance of a spiritual life in our community and also for students attending the university."

Rev. Adair is the co-ordinator of the youth center that operates at Faith Chapel in relation with religious activities of West Texas State University.

Director of student activities for Faith Chapel Student Center is Austin Morgan who held the same capacity last year. Morgan is formerly of Ralls, Texas and he will serve the church at university vesper meetings; study and prayer groups, and student recreation.

The years program for University students this year includes Youth Revivals, Retreats and a number of other activities.

Activities that Faith Chapel supports include a foreign mission program, support for orphanages, religious radio programs, Bible courses and the student program.

## Kim Durden Is Party Honoree

Miss Kim Durden was honored on her tenth birthday with an after-school party at the home of her parents, Mr. and Mrs. Rowie Durden.

Theme for the party was "Ballerinas" with a ballerina doll centering the serving table. Guests were served birthday cake, ice cream and punch. They spent the afternoon playing indoor games.

Attending were Barbara Fisk, D'Lynn Bellah, Sherry Hemphill, Teddi Craper, Vicky Cooper, Susan Rascoe, Melodie Miller, Gail Fite, Linda Foster and Kay Hawkins.

Following the party, Miss Durden spent the night on a camp-out at Buffalo Lake with her parents, the Rowie Durdens.

## Dinner Welcomes WT Students In

An all church fellowship dinner will be held this Sunday morning at First Christian Church immediately following the morning worship service.

The dinner is the annual reception for students of West Texas State University, and they are invited as special guests of the church to the meal. Mrs. Marion Higdon, dinner chairman, announced that the food menu is made up of planned contributions.

Dale M. Harter, pastor, will give the welcome to the students and H.M. Johnson, chairman of the board, will preside at the program about the tables.

## Teachers Have Buffet Dinner

Canyon Classroom Teachers Association gave a buffet supper Tuesday night with members of the Canyon Board of Education and their wives and administration officials and wives as special guests.

The buffet supper was held in the cafeteria at Canyon High School with the executive committee as hosts and hostesses for the evening.

Following the meal, the group was entertained by members of the social committee with several humorous skits and games of "Name Bingo" where played as part of the get-acquainted social. "Accent on Fellowship" was the theme of the evening with approximately 140 guests in attendance.

Bowling News

The bowling season has begun in earnest this fall with seven leagues participating on various nights throughout the week. Fifty-two teams are playing in the leagues this fall according to Eddie Knowles, manager of the Canyon Bowl where all league play is held.

In the Koffee Kup League four wins and no losses were scored by the Lazy Daisies, Keyless Three, and the Roaring 30's teams. The Step-Ups won 3 and lost 1 game and Team No. 2 lost one game. The Three Musketeers, Way Outs, and Team No. 8 each had four losses and no wins in last weeks play.

Estelle Summers rolled the high game for the Koffee Kup League with a score of 160. Fay Cawthorne had 409 for the high series.

In the Canyon City League, Blackwell Insurance won four games from Sternberg Lumber Company; the Kiwanis Club team took four games over Cooper's Market; White's Auto won four games over Happy Implement; the Rotary Club team lost four to Bellah's Market; Borden's team won three games and lost one to Zac's Mobil; and Western Auto and Randall County Abstract split the series with two wins and two losses each.

George Blackwell had the high series with a score of 621. The high game score of 223 for the league was made both by George Blackwell and Norman Tuck. In the Twilight League, Thompson's won four games over Trail Motel; L.W. Young Company won four games from Randall County Abstract; Bellah's Market won three games and lost one to Canyon Glass and Trim; Buffalo Food and Drug had three wins and one loss to Modern Cleaners; Dodson T.V. lost four games to Bill's Barber Shop.

Dottie Chance had the high score with 203 and also won high series with a score of 552.

In the Junior League, Team No. 3 won four games from Team No. 4; Team No. 1 won four games over Team No. 2; and Teams No. 5 and 6 split the four game series with two wins and two losses each.

Ricky Sargee rolled the high game score of 24 for the Junior League and Larry Pitt took the high series with a score of 541.

For the Banham League, Team No. 1 won three games over Team No. 2; and Team No. 4 won two games and lost one to Team No. 3. Tom Blackburn rolled the high game with a score of 106 and had a score of 178 for the high series.

In the Mixed-Up couples League, Team No. 3 won four games from Team No. 4; Team No. 5 had three wins and one loss in play with Team No. 6; and Team No. 1 and Team No. 2 split the four game series with two wins and two losses each.

High game scores in the Mixed-Up Couples league were rolled by Alene Stovall with 187, and Burl Southern with 215. The high series in the league went to Betty Knowles with 452 and Ross Black with 559.

For the Business Men's League, Bill's Barber Shop and Graham's Grocery each had four wins to defeat Team No. 6 and Taylor Evans. Hack's Grocery had three wins and one loss in play with Team No. 2; and the Canyon News and LaGrone's split the series of four games with a two win, two loss score.

Velton Sargee and Dean Spait tied for the high game score with a total of 204 points each. Dean Spait also took the high series for the Business Men's League with a score of 556.

A warm welcome awaits you at the....

Buffs Pep Rally

WT cheerleaders will sponsor a pep rally tomorrow night (Friday) at the 'Beat The Eagles Dance' at the student union building.

The Buffs play North Texas State University Saturday night, and this weekend is Mom and Dad's Weekend.

The dance will begin at 9 p.m.

Mr. and Mrs. W.T. Dunn of Fort Worth spent last week end visiting with their son's family, Mr. and Mrs. James Dunn, in Canyon.

Also visiting in the Dunn home were Mr. and Mrs. B.R. Breithaupt of Fort Worth and Mr. and Mrs. Herman Stanfield of Matador. James Dunn is a nephew of the Breithaupts and Stanfields.

Dick Cummins Heads 4-H Club

Dick Cummins was elected president of the Wagon Wheel 4-H Club at a meeting held recently by the club members.

Other officers who will begin their duties at the next club meeting are Mary Cummins, vice president; Eddie Hinder, secretary-treasurer; and Roger Gist, reporter.

New members who attended the meeting were Rhonda Hales, Melanie Sykes, Terry Jo Reynolds, Ann Fisher and Janie Fisher.

Other club members present included Dick Cummins, Roger Gist, Mary Cummins, Kathy Gist, Debbie Gordon, Eddie Hinder, Sheri Henry, Mike Hinder, Ricky Hales, Sharon Hinder and Cheryl Schaeffer.

Mr. and Mrs. Virgil Fryburger of Paonia, Colorado are visiting this week with her brother's family, the Roy S. Franklins for a few days.

The Fryburger family was in Canyon while her mother, Mrs. W.R. Franklin was in Neblett Hospital for surgery.

CC Concert Memberships On Sale Now

Memberships for the ninth annual Canyon Community Concert Association season are now available from area workers.

Nearly 100 workers representing Canyon, Amarillo, Happy and Hereford, were feted with a tea Sunday afternoon in the home of Dr. and Mrs. Ples Harper. Dr. Harper is chairman of the membership campaign.

Celedonio Romero and his three sons, the royal family of the guitar, have been scheduled to appear in Canyon March 25. They have been labeled one of the best classical guitar ensembles in the country.

Other programs will be scheduled through the community concerts representative, Mrs. Peggy Blackburn, at the close of the campaign, October 12.

Renewal memberships are being sought this week by the workers, and next week the new membership drive will begin with a dinner Monday evening hosted by the concert board members.

A membership ticket sells for \$7.50 for adults and \$4 for children and students. The ticket enables each member to attend each program presented during the season. No tickets will be sold at the door for the concerts.

Canyon members have complimentary admission to any presentation by the association in Lubbock, Plainview and Clovis. Appearing in Lubbock this season is Mildred Miller, in Plainview the Teltschiks will perform, and Whittemore and

Lowe will be in Clovis.

The kick-off dinner Monday will be held at 7:30 p.m. in the cafeteria of Rex Reeves Elementary School. Mrs. James Murphy White is hospitality chairman. Entrance should be made through the east door at the north section of the building.

Special entertainment for the evening is being arranged by George Eason. Door prizes of famous artists' recordings will be given at the dinner, and Mrs. Blackburn and Dr. Harper will present instructions to workers.

President of the local association, Raymond Raillard, announced that gift recordings will be presented to the college student and the public school student who sells the greatest number of memberships.

The association headquarters will be in the office of Southwestern Public Service beginning Monday, or interested person can contact Raymond Raillard or Dr. Ples Harper.

Louisville, but will start against the Buffs. He tips the scales at 203.

Quarterback Bill Ryan, 170, has been playing for North Texas three years. He is a good signal caller and is outstanding on defense.

"North Texas has a better running than passing attack. However, its good ground game makes its passing threat even better. The Eagles defense is real strong and tough. They limited Louisville to no rushing yardage in the first half. They have a very good secondary. Pete Lynch is their specialist," Rector said.

Leading the line attack will be Joe Ferguson, 6'5 and 287 pounder. A Plainview native, he also kicks off and does the field goal kicking for the Eagles. He barely missed a 50 yarder last week.

Offensive center and line-backer on defense will be 220 pound Dave Woodward. He does a tremendous job at his defensive post, Rector commented. Ferguson and Woodward along with Cotton Moore, 220, are all high on pro draft lists. Moore is an outstanding blocker. He tackled a Louisville player in the end zone last week for a safety.

Probable starting backfield for West Texas will be quarterback Hoot Gibson, halfbacks Pete Pedro and Jerry Richardson and fullback Ollie Ross.

The forward wall will be composed of ends Quinton Eppinette and Jim Ostrander, tackles John Varnell and Jack Mayfield, guards Jim Denny and Eugene Baldwin and center Charles Davies.

The entire first team received praise from coach Joe Kerbel.

Individuals receiving special mention from Kerbel was end Butch Walterscheid, Richardson, Gibson, ends Ted Wheeler and Bruce Kimery and quarterback Bill Bundy.

"I think this game will be by far our toughest so far this season. The Eagles are truly a great football team," Kerbel said.

Visiting with Mrs. Oma Sigman last week end was her son, V.J. Sigman, and family from Earth, Texas and her daughter's family, Mr. and Mrs. L.H. Black, from Littlefield.

Kick Off On Scout Drive Set Oct. 21

Kick off of the Boy Scout finance campaign will be Oct. 21.

D.E. "Gene" McGlasson has been named campaign chairman.

The ball started rolling on the drive last Friday when fund drive majors met at Canyon High School. These include Bud Parker, Joe Gidden, Mrs. R.P. Jarrett, Mrs. LeRoy Moreland, Benny Cooper and Clark Jarnagin. The majors selected drive captains.

A meeting of the majors and captains will be held at 9 o'clock next Monday morning in the high school cafeteria.

A kick off meeting will be held at noon at Legion Hall Oct. 21 to begin the drive. McGlasson said an intensive effort will be made to enlist sus-

DO: Take the picture, wind the film. Make it a habit. Some double exposures are funny, but most are not.

DON'T:

Try to get two for the price of one. It is no bargain. If you don't wind the film after every picture you'll get two images and neither will be any good.

Michael Crawford, senior from Spearman, standing, is brigade commander of the West Texas State University Reserve Officers' Training Corps unit for 1963-64. Lt. Col. Henry L. Calder, professor of military science, goes over assignments with his cadet corps commander, who will hold the rank of Cadet Colonel.

## World Wide Communion This Sunday

World Wide Communion Sunday will be observed by the congregation of the First Presbyterian Church on Sunday, October 6th.

Ruling Elder William A. Moore will be in charge of the session as the congregation assists Rev. J.L. Hamerson with the celebration. "I Saw Also The Lord" will be the Table Talk topic of Rev. Hamerson at the 11 a.m. service of Holy Communion.

Christian Churches will join at the Lord's Table on this annual occasion in every country, and behind every "curtain of hate". The annual event will be celebrated for its 37th year. Originally the communion celebration was begun in the World Presbyterian Alliance Churches to symbolize the "oneness

of Christ" between the new churches of America and Europe. The observance is supported by most Protestant Churches of the world as an act of symbolic significance today.

A family night supper will be held at the First Presbyterian Church at 6:30 p.m. Sunday with students and faculty of West Texas State University

welcome to attend. Mrs. Sherwood Bladell, chairman of the hostess committee of the church, will be in charge of the meal. A nursery will be provided.

## SCD News

The Randall-Potter Soil Conservation District has been in operation approximately seven and one half years. During this time the board of supervisors have approved agreements on approximately 380 farms. As of June 30, 1963 the District had 358 active agreements with farmers and ranchers. The Supervisors have also received and approved Great Plains Conservation Plans on 48 farms and

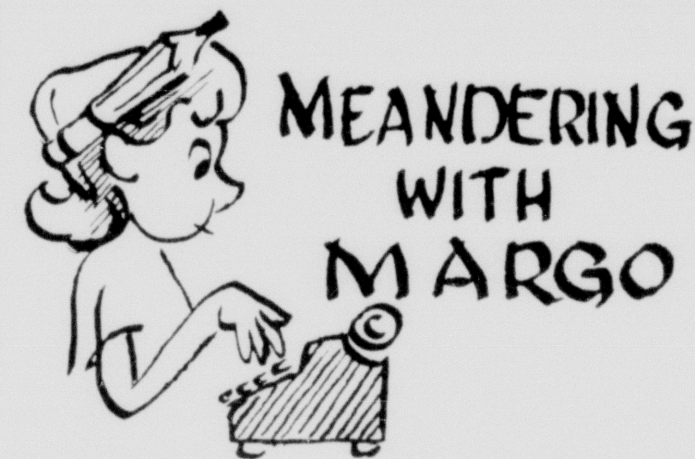

ranches. As of June 30, 1963 there were 31 active Great Plains plans.

The district has purchased equipment for use of farmers

and ranchers in the district. At the present time the district has the following equipment for rent: one 2 yard carryall, one interrow seeder, one stubble mulch machine, one range pitter, one land leveler, one 5 foot mower, one cattle sprayer, one weed sprayer and one fertilizer spreader.

The technicians of the Soil Conservation Service assist the District in the planning and application of conservation practices on local farms and ranches.

## MEANDERING WITH MARGO

We were pleased about the WT victory against the University of Pacific Saturday night, and were pleasantly surprised that so many "fair weather fans" turned out for the game.

If supporters will attend a game being played in a dust storm, they are probably strong and permanent supporters of the team.

Being a woman the most prevalent item noticed about the football game, outside of the game action, was the array of fall clothes. The college coeds were primarily dressed in vividly colored light wools or knits. And of course, winter coats were pulled from closets several weeks early for the Saturday night game.

Other female fans were dressed in dark wools or light weight knits, and most of them wore hats. The hats proved to be beneficial because of the sand whipping across the bowl.

As one Amarillo woman said, "I have worn a hat to these games for four years, and this is the first time it has ever been useful."

We were also surprised at the lack of spontaneous support for the Buffalo Band, not only from the WT students but from all spectators. The 96-piece band practices daily for the football performances each week, but they receive very little response from the fans.

The latest addition to the band is the featured twirler, Roger Acosta from Mission. Roger is a freshman and plays the snare drum during concert season. He has won the state championship in the junior division for two years and he placed third in the national contest in 1960.

The 17-year-old lad's performance brings favorable gasps from the fans as they watch him handle three batons with the ease of one.

We marvel at the enthusiasm of the youngsters involved in the Kids Inc., who provided part of the halftime entertainment at the Saturday night game. 1,000 boys, ranging in age from 8 to 12 years, were decked out in full football uniforms to show the spectators some of the activities in which they engage during their workouts each week.

As one announcer pointed out, "Scouts should be looking over this crop of players for future years."

Those eager kids were play-

ing hard and seemed to be loving every minute of it. Just think, those kids are future All-American material.

## Cub Scouts Host Parents

"Parents' Night" for boys eight, nine and ten years of age was held at Canyon Elementary School Thursday evening of last week with 22 boys joining the Cub Packs 31 and 97 during the evening.

Boys and their parents who attended were given instructions on becoming members of the Cub Packs. The instructional meeting also included the aims of Scouting which are citizenship training, character development and physical fitness.

Parents were given information on how to help their sons advance in the Cub Scouting program.

O.W. Parker, Randall District chairman, welcomed the parents and boys with a short talk.

A film on the den meeting and what happens at a den meeting was shown to the group by Louis Machuca.

Noted scouters at the meeting were Meade Michael, Cubmaster of Pack 97; Dick Ziegler, Cubmaster of Pack 31; and Gene Morrison, Neighborhood Commissioner.

Frank Daugherty is a new Webelos Den Leader for Pack 31 and new den mothers for the pack are Mrs. Tommy Hunter, Mrs. Ted Blackwell and Mrs. L.D. Hunnicutt.

Boys who applied for membership to Pack 31 at the meeting include Raymond Hunter, Thomas Oppie, Terry Greenhoe, Michael Oppie, David May, Kenneth Wolfington, Mike Blevins, Benny Bryan, Bobby Boyett, John T. Boone, Larry Hunnicutt, Stanley Matuza, Robert Lindsey, George Henderson, David Hernandez, Douglas Fisk, Ed Lair, Ronald Bronum, Kenneth Tate, and Frank Daugherty.

Membership applications for Pack 97 included Arvel Floyd, Gary Cox, Steven Bullard, and Wayne Todd.

year the Film Series brings top movies to Canyon for adult entertainment.

Also the annual sale of the Canyon Community Concert Association tickets begins Monday. The Community Concert is headed by local persons interested in bringing nationally known performers to this area. This program gives Canyon folks who would not have the opportunity otherwise, a chance to see famed entertainers from all over the world.

Both the Film Series and the Concert Association expose area people to many cultural activities usually not available in this area.

## COUNTY AGENT'S COLUMN

Several wheat fields in northern Panhandle counties have been completely destroyed by infestations of fall armyworm during the past week. Wheat producers should be encouraged to check their fields closely for the presence of this pest.

The adult moth is about 3/4 inch long. The life span of the moth is 10 to 14 days. During the moth period the female may deposit as many as 1,000 eggs. The eggs hatch in two to four days. The larva or wormfeeds for two to three weeks. This larva has three yellowish-white lines down the back from head to tail. A prominent white inverted Y shaped line appears to the front of the head.

The small larvae begin feeding soon after hatching. They attack the young wheat or just below the surface of the soil.

CONTROL: The following chemicals are recommended for the control of the fall armyworms in wheat. Restrictions should be followed closely.

Toxaphene - 1 1/2 to 2 qts per acre  
Toxaphene-DDT - 1 1/2 to 2 qts per acre

## Canyon "B" Tips Pampa

The Canyon B team took its first win of the season Saturday as it beat the Pampa B squad 26-6 on its own field.

Wilson Howard scored Canyon's first TD in the first quarter. He added another in the second.

Jerry Huntington ran for the third touchdown in the third stanza. Howard ran the two point conversion to give Canyon a 20-0 lead.

Al Sternberg made Canyon's final touchdown in the fourth period.

The team now has a 1-3 record. Probable starters for Canyon in the contest with Plainview's B team here Oct. 3 are Jerry Huntington and Larry Robinson at end positions, center Darrell Yarbrough, tackles Randy Harrison and Mike McBroom and guards Jim Killingsworth and Bruce Winn.

Vernon Hawkins will be the field general, fullback Tommy Sanford and the halfbacks will be Gary McAttee and Ronnie Ford.

Do not feed DDT or Toxaphene treated forage to dairy animals or animals being finished for slaughter. Don't apply DDT after heads begin to form.

Endrin - 1 1/2 pints per acre  
Do not apply endrin more than one time per season or within 45 days of harvest or feeding.

Parathion - 2 pts. per acre  
Methyl parathion - 2 pts per acre

Do not apply within 15 days of harvest or grazing. Control from use of parathions may not be as effective as with other chemicals listed because of short residue period.

The West Texas Chamber of Commerce is sponsoring a tour of livestock feeding facilities in West Texas. This tour will be on October 28-29-30. Feed lots in Lubbock, Littlefield, Muleshoe, Clovis, Friona, Plainview, Hereford, Amarillo, and Tulsa will be visited. The tour will be by bus and capacity of 225 persons total will be the limit. The tour will start at Lubbock and terminate at Lubbock.

Cost of the tour will be \$57.50. This will include transportation, two nights' lodging, and meals. Reservations can be made by writing or calling the West Texas Chamber of Commerce in Abilene. Dr. W.L. Stangel will be tour director.

Mr. and Mrs. Ira D. Bogan were in San Antonio and south Texas last week to visit with their three daughters and their families.

Visiting with Mr. and Mrs. Louis K. Bolton this week is their daughter, Mrs. Bill Cunningham and sons, David, Gary, Douglas, and Andrew, from Center, Colorado.

The Cunninghams plan to spend another week with her parents before Mr. Cunningham arrives in Canyon.

Ethel Bond of Amarillo visited last week with her sister-in-law, Mrs. Maye Bond.

Mr. and Mrs. Don Kilgenfeld attended the Pioneer Homecoming at Henrietta, Texas on September 20.

Enroute home the Hilgenfelds visited with her sister, Mrs. Maudie Whitley, in Memphis who brought them on to Canyon.

## CANYON BUSINESS REVIEW and BUYER'S GUIDE

General automobile repair, refrigerator and small appliance repair and 24 hour wrecker service are just a few of the services Glenn Dorris Service Center offers his customers.

Dorris and his son, Bobby, are available daily, ready to help persons in the Canyon area with any repair needs.

Glenn was born in El Paso in 1927 and graduated from Canyon High School. He attended West Texas State University for two years and served a year in the Army.

He and his wife were married in 1944 and they have two children, Bobby, 18, and Patsy, 11. Included in their trade territory are Wayside, Happy, Dawn, Amarillo and Canyon.

"We do service for people wherever they need us," Glenn pointed out.

Irrigation motors will be picked up and overhauled by just calling OLS-3747 and telling Glenn or Bobby of your needs.

"We have free pickup service and we will make service calls for anyone," Dorris said.

Dorris has received a certificate from the University of Texas as extension service in electrical alternators and regulators, and this week the father and son team attended another school in Amarillo on carbors.

"These schools help us keep aware of new methods in auto repairs," Dorris said.

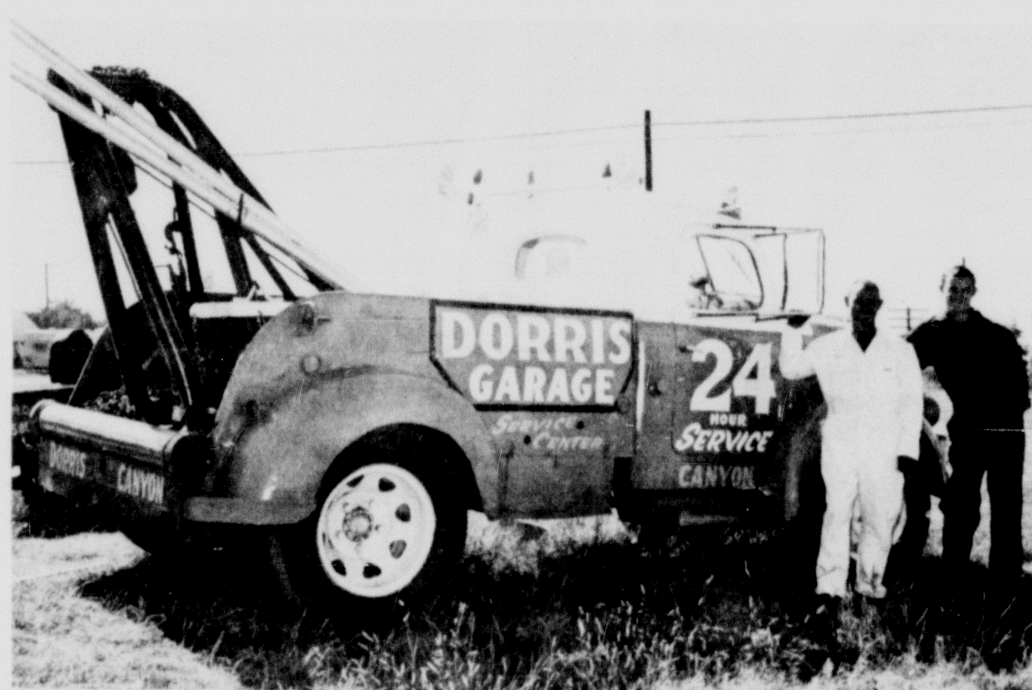

A highlight of the new business, which has been in operation for two months, is the opening of a new building sometime in October.

"The new location is on the Hereford Highway and 13th St. We will have a three car stall, which means we will have much more room in the new building," Dorris explained excitedly.

Mrs. Dorris will be the bookkeeper for the business when the move is complete.

So if you have a washing machine, a dishwasher, a car, or any other appliance needing repairs, just call Glenn Dorris, OLS-3747 or drop by at 1704 First Avenue in Canyon.

"We welcome any and all business," Glenn says.

## Dr. C.C. Gill Speaker At PCSS Fall Dinner

Dr. Clark C. Gill, associate professor of curriculum and instruction at the University of Texas, will be speaker for the fall dinner meeting Oct. 10 of the Panhandle Council for the Social Studies.

The meeting will be at 7 p.m. in the Blue Room of the west cafeteria on the West Texas State University campus, and is open to high school and college social studies teachers of the Panhandle.

Reservations should be made by Oct. 4 with Dr. Ima Barlow, professor of history at WTSU, who is second vice president of the organization. Tickets cost \$1.75 each. Dr. Gill will speak on "Latin America: Problems and Prospects," and his talk will deal with education and social studies areas of schools in Latin America, Dr. Barlow said.

A professor in the College of Education at the university since 1954, Dr. Gill was a Fulbright professor in Peru in 1960. He has written more than two dozen articles in the area of education, many of which have dealt with public education in Latin American countries. Dr. Gill holds the Ph.D. from the University of Minnesota, and his dissertation dealt with the role of the government in public education in Mexico. He has taught at Macalester College, University of Wisconsin, and Pennsylvania State College.

President of the Panhandle Council for the Social Studies

is Laura Snyder of Palo Duro High School in Amarillo. Vice presidents are Dr. Eugene Jones of Wayland College and Dr. Barlow.

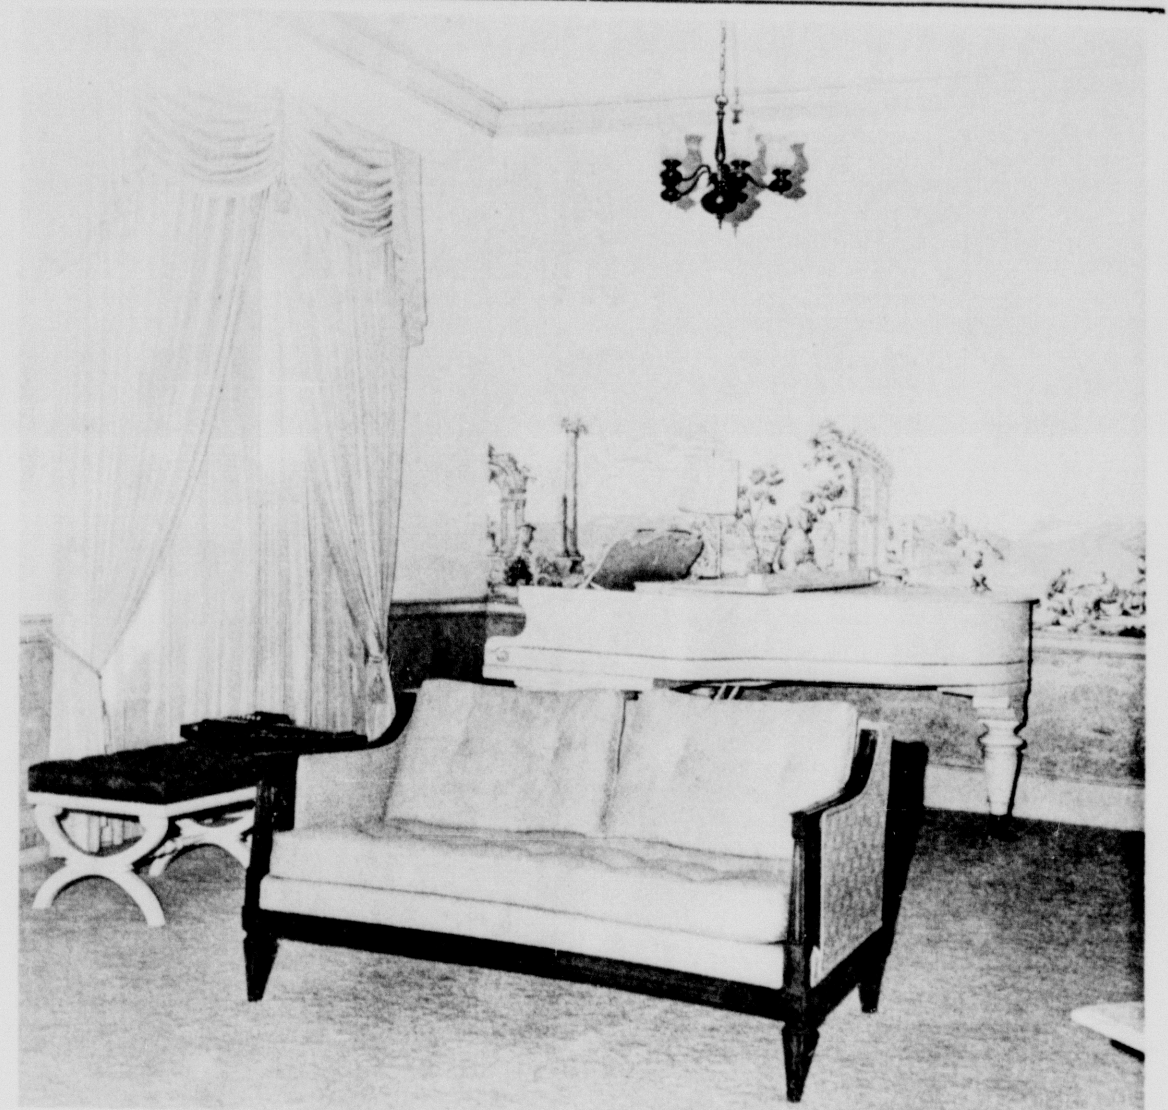

Other officers are Joe Herron of Amarillo, secretary; Richard Bucy of Sunray, treasurer; and Dr. Lowell H. Harrison, WTSU, history department head, parliamentarian.

Members of the board of directors are I.L. Whitfield of Plainview, Flo Dickinson of Hereford, Mrs. Dan Sanders of Canyon, David Grayson of White Deer, E.L. Jackson of Amarillo, and Elizabeth Davidson of WTSU.

## Root Family Has Guests

Guests in the Gene Root home Sunday were Mr. and Mrs. Wm. H. Michael of Omaha, Nebraska; Mrs. Tom Harbert and Jan from Dumas; Mr. and Mrs. Charles E. ## Boy Scouting

Thursday night at the Patrol Leader's Council meeting of Troop 31, Eugene Bonds, senior patrol leader, instructed a short Patrol Leader's Training Course under scoutmaster A.M. Warren's direction. Those attending the course were Patrol leaders Mark Raillard, Greg Parker, John Warren, and assistant senior patrol leader Stoney Ormsby. Meanwhile instructors Ken Hammons, Larry Wooten, Andy Sherrod, quartermaster Mike LaGrone, troop scribe Pat Hickman, and assistant scoutmaster George Hughes, planned activities for an upcoming camp.

Monday night at the weekly meeting of Troop 108 the scouts participated in the first fall meeting of the year. During

the meeting the scouts took part in games, demonstrations, songs, instruction classes, and others. Also during the meeting District Scout Executive Louis Machuca spoke to the scouts about the upcoming district camporee to be held on November 22 & 23. More information on the camporee will be given this coming Monday night at the troop meeting.

Scoutmaster Odell LaGrone said that there would be a camporee preparation camp on October 18. Cards will be sent to all scouts concerning what equipment will be needed on the camp. All scouts intending to go on the camp are required to attend the next two troop meetings. All scouts are asked to

bring guests to the meeting. Note to Scoutmasters: Your cooperation would be appreciated in printing write-ups in my column on your troop activities. In helping put write-ups in this column you will be showing to the public that your troop is an active one. You can contact me by dialing OL5-2784 after 4:00 P.M. Thank you, Joe Stephens.

# Wow! Buffs 32, Tigers 8

By John Shields

Coach Joe Kerbel bagged his Tiger Saturday night with a big gun from Dumas and a small caliber, high velocity Pistol. These two weapons of the big game hunt came in the form of Quinton Eppinette, who proved himself a real Ding Dong Daddy, and Pistol Pete Pedro.

They literally exploded in the faces of John Rolide's Tigers on two occasions when the beasts of prey from the University of the Pacific had West Texas State's Buffaloes at bay on their own goal line.

The Buffaloes, picked by the pollsters to lose by a touchdown, crushed the visitors 32-8. For a while it looked like Red Blaik's average might be fattened. He had predicted a Tiger win.

Then Ollie Ross deflected a Tiger pass deep in Buff territory. Eppinette snatched the pigskin and raced 93 yards for a touchdown.

Pedro's touchdown run later in the game was for 90 yards, longest in the little speedster's career.

University of the Pacific was operating with a first and goal from the Buffalo seven yard stripe when quarterback Don Stagnaro stepped back into the "pocket" and threw a pass. Eppinette grabbed the ball on the 12 and lugged it the remaining 88 yards to paydirt with 13:59 remaining in the second quarter.

Hoot Gibson kicked the extra point to give the Buffs a 7-0 lead.

Statistic wise the Tigers from Stockton, Calif. made a closer game of the duel, although not on the ground. The majority of the Tigers yardage was through the air.

Better than half of the Tiger's plays were aerials, thrown by four different hurlers. They attempted 41 passes and completed only 14. The passes accounted for 199 yards.

West Texas led in rushing yardage 292-70 and in total yardage 345-269. Each team racked up 15 first downs.

The Buffs looked like an entirely different team Saturday, compared to the one that took a narrow 22-17 victory in the opener against Arlington. Good blocking, a powerful defense and tough running accounted for the Buffs improvement.

But even in victory the Buffs of coach Joe Kerbel looked bad at times. They bobbled the pigskin five times, with the Tigers recovering each time.

University of Pacific opened the game with a pass good for 15 yards and a first down. After gaining its way to the Buffalo 28 yard line the offensive attack fizzled out when a pass fell incomplete on a fourth and two situation.

Both teams failed to push across a score during the first

On the first play Pedro circled left end. A final block by Jim Denny paved the way for "Pistol Pete's" first score of the night. Gibson converted with 7:34 left in the half to give West Texas a 14-0 lead.

Ross kicked an on side kick which was recovered by Jack Mayfield at the Tiger 25.

trips and Gibson 42 yards in four tries placing the ball at the Pacific 12. Jerry Richardson then made four yards to the eight yard line.

After a key block was thrown by Russell Mundy Pedrowent to the left side of the line to score with 41 seconds left in the period.

Gibson's conversion attempt was no good.

It was late in the final period when the Tigers tallied for their lone touchdown.

Bob Scardina recovered a Ross fumble on the West Texas 39.

Quarterback Ernie Zermeno threw a 14 yard pass to Rod-

gers on the first play. Then two more fell incomplete. West Texas drew a pass interference penalty, placing the ball at the Buff 10.

Stagnaro threw a touchdown pass to Chris Machado with 1:08 remaining to be played in the game.

Campbell passed to Machado for the two point conversion. The score was then 26-8.

West Texas started its final touchdown march at the Tiger 49.

A Billy Bundy pass intended for Ted Wheeler fell incomplete on the first play. A 15 yard pass interference play was then marked off against Pacific, giving West Texas a first and ten at the 34.

Bundy then threw two incomplete passes to Hollie Jones. With a third and ten situation facing the Buffs Bundy threw a 34 yard touchdown pass to Tony Waters with only 19 seconds remaining to be played.

The extra points conversion attempt failed, making the final score 32-8.

University of Pacific got off only one play before the game ended.

One Tiger player sustained minor injury when he was tackled by Richardson. He was the only reported injured for both teams.

Pedro has gained 319 yards rushing in the first two games for the Buffs. He tallied 162 in the opener against Arlington State. The All American candidate has also scored three touchdowns.

Ross was second in rushing for the Buffs with 58 yards in 13 attempts. Mundy gained 35 yards in four tries, Gibson 30 in 15 tries and Bill Lorange 16 yards in five runs.

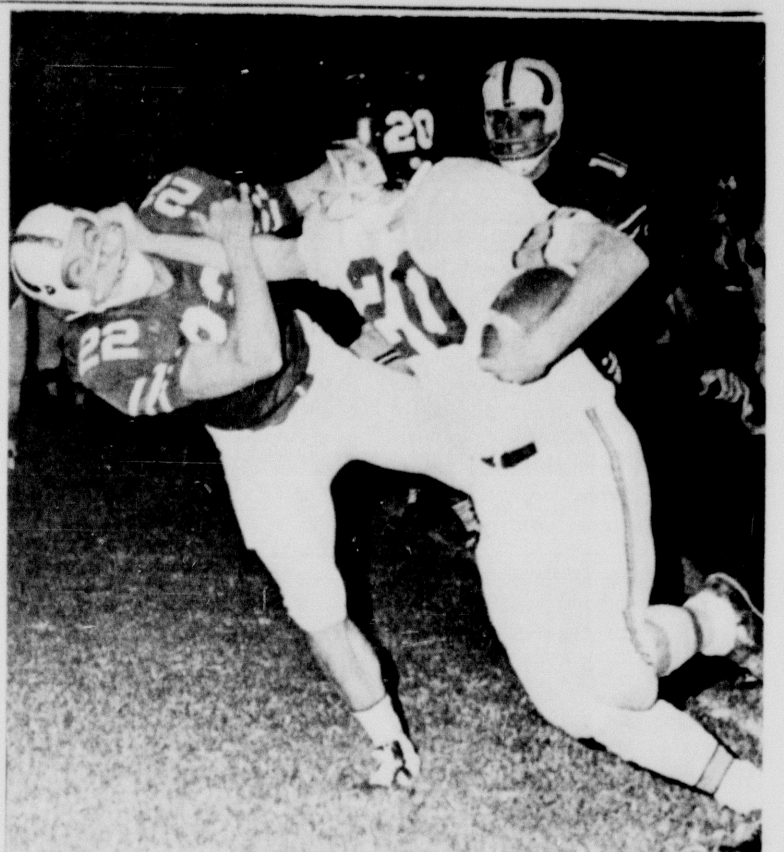

It was a bad night offensively for Richardson. He wound up with a minus four yards in four attempts.

From end to end the Buff line was tough, especially so since it was outweighed an average of 25 pounds per man.

Guard Jim Denny and end Quinton Eppinette did outstanding jobs, along with Jim Osterlander, Jack Mayfield, Eugene Baldwin, John Varnell and Charles Daves.

In the secondary Ross, Mundy, Richardson and Bundy held the Tigers to only 14 pass completions out of 41 attempts.

West Texas will host North Texas State University Saturday at 7:30 p.m. in its next outing.

The game got a wee bit rough at times. Here Allen Ford (20) is shown putting the hand on Jerry King (22), Buff halfback. Game officials missed this one. Coming in on the play is Jerry Richardson.

## Dumas Boy Hurt In Football Game

Benny Casas, 15, year old freshman from Dumas, was transferred to Dumas from Nebbett Hospital after he was injured in the freshmen football game Thursday night.

Casas was playing left half-

back in the game against the Canyon freshmen when he was injured. Dr. Manly Bryan of Canyon reported that the boy received a head injury, but was in better condition Thursday when he left for Dumas.

The Canyon News wants your news. Telephone OL5-2141. or stop by the News office.

Pete Pedro (21) explodes for a Buffalo touchdown. Putting leverage on the Pistol are John Billeci (44) and Bob Scardina (60). In the background is Terry Marshburn who was running but never was

in the race. Pete ran 93 yards for a touchdown--the longest run in his career.

## Pistol Pete Leads Nation In Rushing

Pistol Pete Pedro, right halfback for the Buffs, leads the nation's ball players in yards gained rushing this year.

In two games this year Pedro has gained 319 yards with 39 carries giving an average of 8.2 yards per carry. He has run for three touchdowns for a total of 18 points and he has caught one pass for 19 yards. His total yards on offense is 338 yards.

According to the National Collegiate Athletic Bureau, the official service bureau of the NCAA, WT's own Pistol Pete is the top rusher among major colleges and universities ball players in the United States. He has averaged 159.5 yards per game this season. His touchdowns include a 52-yard run against Arlington State and a 90-yard and an 8-yard in last

week's game against University of Pacific.

In 1961 as a sophomore, Pete finished second to Preacher Pilot of New Mexico State University in total number of yards gained rushing. He had 966 yards with 22 touchdowns for 132 points.

As a junior in 1962 the WT halfback ranked sixth in the nation with 831 yards gained rushing. He made 8 touchdowns last year, but Pete was slowed up during the year because of a leg injury. He missed one full game and parts of three others due to his injury.

## Frosh Open In Colorado

The West Texas State University freshmen squad will open the 1963 season at Colorado Springs, Colorado against Air Force Academy Junior varsity, Friday.

The Air Force team is composed of sophomores, juniors and some seniors.

In its opening game North-eastern Junior College fell, 54-6.

Jim "Corky" Dawson, in his first year of coaching the West Texas freshmen unit, states, "We are still a big question mark since this is our first game. The squad looks ready to play, the attitude is good, and they are working more as a unit."

In reference to the Air Force team Dawson said, "It has very quick linemen. The team isn't big, but is quick, fast and in perfect condition. It beat us 48-0 last season."

But the West Texas crew is probably not one to be taken lightly. Only three of the 31 players are less than 170 pounds. Fifteen members of the team tip the scales at better than 200 pounds.

The line for West Texas will average 217 pounds going into the contest. These heavies will give coach Joe Kerbel something to look forward to in future seasons.

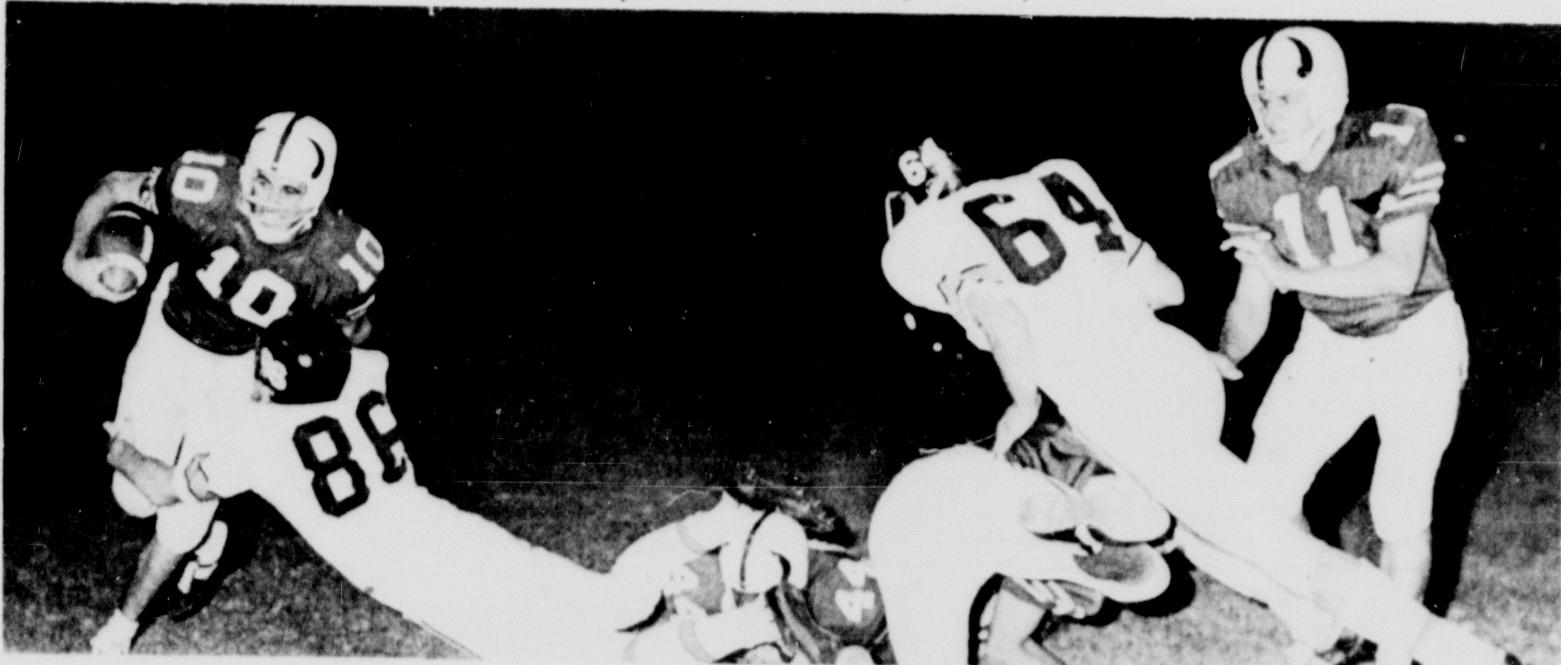

David Fleming, 6-1 165 pounder, from Pasadena, Texas will handle signal calling duties in the opening tilt. Halfbacks will be Lamar Payne and Tom Krempasky. Fullback will be James Cowell, a 181 pounder from Dimmitt.

Billie Frances is the lightest starting lineman at 198 pounds. He is a center from Houston. Guards will be Richard Besse, 200, and Carl Campbell at 220. Marc Allen, 230, and Bobby Duncum 231 will be at the tackle positions.

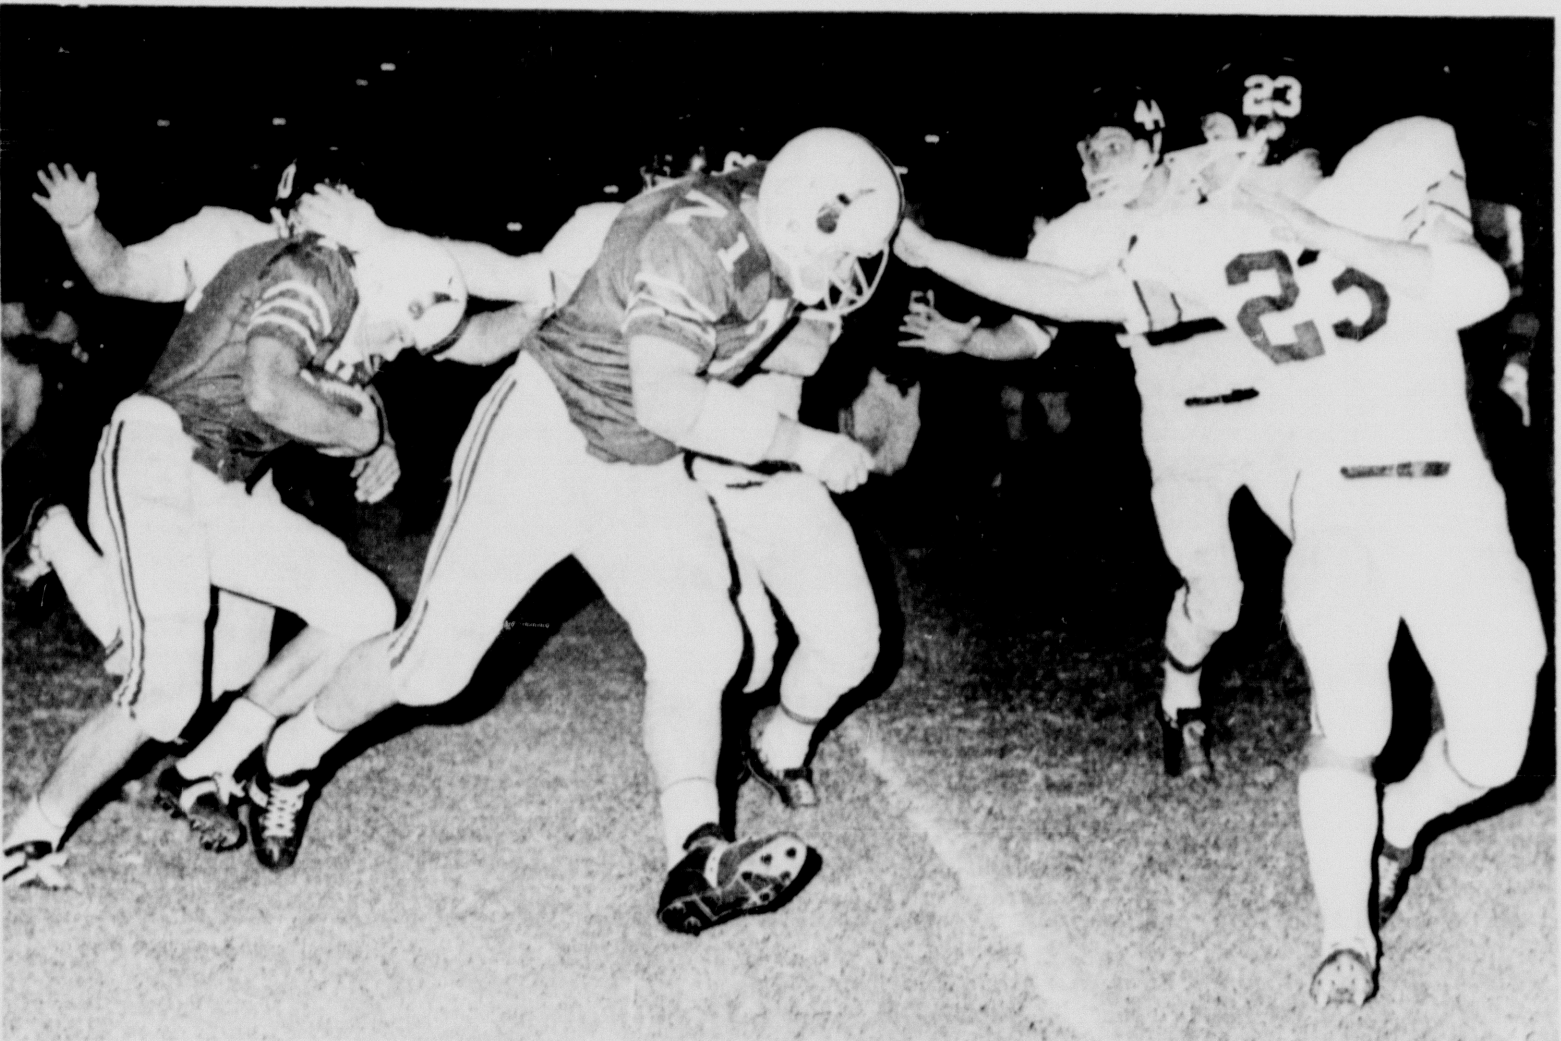

Ends will be Barry Connors, 225, and 215 pound Doug Kriewald.

On defense Dennis Peterson will replace Besse, Arnold Chew in place of Frances, Paul Mankin for Fleming and David Zimmerhazel for Payne.

Dawson, a West Texas graduate, was the Buffalo starting quarterback for three straight seasons. Bill Kirbie, a North Texas State University graduate, is the freshmen assistant coach.

Jerry Richardson (10) is shown being hauled down by Buck Del Nero (86). Terry Marshburn (64) was blocked out by an unidentified Buff. Coming in on the play is Hoot Gibson (11). Richardson made one breath-taking touchdown run during the game only to have it called back because of a penalty.

John Varnell (71) leads the way for Hoot Gibson (carrying the ball for the Buffs) as John Billeci and Leroy Harris (23) close in.

# Eagles Fall 13-6 To Stinnett Team

By Jim Martin  
Snake bit is the word for the action in Buffalo Bowl Friday night as the Stinnett Rattlers defeated the Canyon Eagles by a score of 13 to 6.

The Eagle eleven performed well in most cases, however, the speed and expert ball handling of an alert Rattler backfield proved to be just seven points too much.

Stinnett won the toss and elected to receive and Eagle quarterback Don Breitling kicked off to get the game underway. The ball was taken on the ten yard line by fleet-footed halfback Bobby Dodd for Stinnett and returned to the 26 where he was dropped by James Evans and Don Hawkins for the Eagles.

After receiving a 15 yard penalty the Rattlers were unable to pick up the necessary yardage for the first down and were forced to kick.

Dennis Haley took the kick on the 35 yard line and was able to return it only 4 yards before being brought down hard by advancing Rattler linemen. The Eagles found the going tough and were unable to pick up a first. Breitling punted for Canyon to the Rattler 12 where it was picked up by Bobby Dodd and returned to the Eagle 42.

On first down from the Canyon 42 Stinnett fumbled for a loss of 3 yards. With second down and 13 Bobby Bain handed off to Bobby Dodd who went in for the first Rattler tally. The kick for extra point was good and with 6:57 left on the scoreboard clock the score stood at 7 for Stinnett and 0 for the Eagles.

The kick off after score was by Guymon Phillips for Stinnett. The kick was taken on the 10 yard line by Bobby Evans and returned to the 41 for a

beautiful 31 yard return. The Eagles however fumbled after picking up a first down and the ball was recovered by the Rattlers on their own 38.

Plagued by hard charging by Don Hawkins, Randy Buttrill and Stanley Prichard for the Eagles, Stinnett was pushed back 5 yards in three plays and was forced to kick.

The Eagles were unable to move and were forced to punt. Stinnett took the ball on the Eagle 42 and rapidly moved to the 4 yd with a first and goal to go.

Dub Womble, in at quarterback for the Rattlers, attempted to pass to Kenneth Riemer, but standing in the end zone in front of the intended receiver was Bobby Evans who plucked the pig skin from the air for a touch back.

The Eagles took the ball on their own 20 and again were stopped in their tracks. Breitling booted the ball to the Stinnett 41 where it was picked up by Bobby Dodd who was unable to make a step before being brought down hard by a host of Eagles.

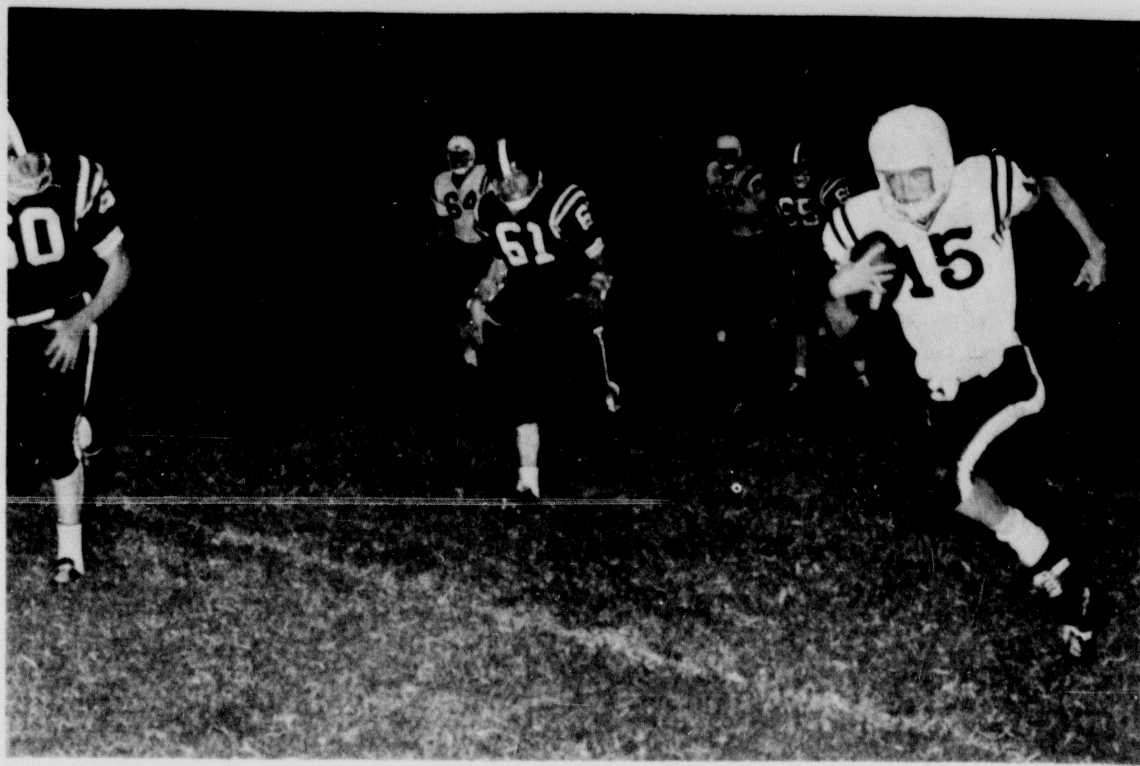

The Rattler attack was stymied by good defensive action on the part of Joe Kerbel, Randy Buttrill, Jim Whinnery, and Bill Miller. With 4th down and one yard to go Stinnett tried to go for the down and were thrown for an eight yard loss by Bill Miller.

When the Eagles took over possession on their own 41 it seemed the Canyon fans could sense that something was in the air. With beautiful line play and hard charging by Alex de Schweinitz, Don Breitling, Jim Whinnery and Dennis Haley the long awaited moment came when Alex charged over the goal line from 1 yd, out for the only Eagle score. The try for the two pointer failed and the score stood at 7 for the Rattlers and 6 for the Eagles.

The half ended with Stinnett in possession of the ball on their own 23.

The second half was a nip and tuck battle all the way. The only second half score was set up on a streak of luck when Bobby Hodges, 200 lb, tackle for the Rattlers stole the ball from the Eagle backfield on an attempted handoff play and ran to the Eagle 14 yard line.

Four plays later Bobby Dodd again went across the double stripe for the tally. The try for point failed and the score stood at games end 13 for the Rattlers of Stinnett and 6 for the Canyon Eagles.

## Hawks Favored In Feathered Fight

Unless the unexpected happens the Canyon Eagles will be handed their third consecutive non-conference loss Friday.

The Eagles will journey to Phillips to battle the District 1-AAA Phillips Blackhawks. Game time is 7:30 p.m.

Phillips is smarting from three straight opening game victories. The "Hawks" have blasted Shamrock 28-0, Pampa 20-15 and Fredricks, Okla. by a 38-8 count.

Canyon will take a 2-2 record into the clash. The Eagles have been dropped in their last two games by a couple of District 1-AA powers. Dalhart blasted the Eagles 38-0 and Stinnett slipped past Canyon 13-8 last week.

Phillips has been a surprise to everyone, with the exception of maybe the coaches and players.

"I just hope we come out alive," Eagle coach E.J. Webb said.

Phillips has good speed, a real good running game and a very fine passing attack. Quarterback Lynn Alexander, 145, is an excellent passer and a good runner. The team as a whole is real quick. It is probably as fast as anybody we've played this year. The team has a very strong desire to win.

Mike Webb, 185, is a powerful and deceiving runner at his halfback post.

Lynn Johnson, 175, and Freddie Banas, 175, will be at the halfback slots. Both are fast, tough runners.

The Blackhawks also have some good stalwarts to anchor the line. Bill Killion is a 187 pound, very aggressive tackle.

Richard Reneau, an all-district selection last season, weighs only 160 pounds but holds down the center post real well.

"Banas helps to make the Blackhawks a double. He also plays end and is a fine receiver," Webb noted.

"Fullback Alex de Schweinitz did an outstanding job for

us against Stinnett. The tackles, Phillip Parker and Wayne Colling, have been doing a very good job. So have the ends, George Cox and Eddie Poole. Defensively Jim Whinnery, Dennis Haley and Joe Kerbel performed well," Webb said.

Probable starters for Canyon is quarterback Don Breitling, halfbacks Whinnery and

Randy Buttrill and fullback de Schweinitz.

Lineman will be tackles Parker and Colling, guards Bill Miller and Jody Sheets, ends Don Hawkins and Poole and center James Evans.

Mrs. G.E. Godfrey of Center, Alabama is visiting this week with her daughter's family, the Cecil Billingslys.

Also visiting in the Billingsly home was Mrs. John Brewer of Gadsden, Alabama. Mrs. Brewer and Mrs. Billingsly are sisters.

## Owls Trample Cowboys 34-0 In Tussle Friday

BY MARGO WILLIAMS

Happy Cowboys, defending regional B champs, dropped their second game Friday night to the favored Silverton Owls, 34-0.

Cowboys were unable to move the ball against the strong defense of the Owls, and the Happy defense was unable to hold the Owls offense as it began rolling in the second quarter.

During a scoreless first quarter the Cowboys made three first down to the Owls 2 first downs. But with 10 minutes left in the second quarter, Fred Stafford, Owls halfback, carried the ball 22 yards for the first score of the game.

Happy took the resulting kickoff from the toe of Monte Smith, but were plagued by penalties and the Owls took over the ball on their own 19 yard line.

With 5 minutes and 29 seconds left in the second quarter, Silverton's Stafford made a 53 yard dash from his 47 line for the second score, and Max Garrison carried the skin over for the two point conversion. The score stood at 14-0 for Silverton.

Again the Cowboys were unable to place the ball within their territory due to fumbles, and Silverton took advantage of the mishandled ball for another touchdown from their 14 yard line. With 2:59 seconds left in the quarter, Garrison, junior fullback for the Owls, made a 14 yard run for the third TD. The

extra point try was no good and the score stood at 20-0 at the half.

Stafford took the kickoff from Gary Culp of Happy to begin the second half and the Owls made a 55 yard drive for the fourth score of the game. Dennis Tomlin of Silverton grabbed the ball on his 37 yard line for the final run across the goal line. Silverton led 26-0 with 9:04 minutes left in the third quarter.

Happy eleven returned the Owls kickoff on their 47 yard line and through the ball carrying of Jim McManigal and Mark Maynard the Cowboys were on the Silverton 38 before the Owls held them. Quarterback Eddie Moudy kicked the ball on the fourth down and

strong offensive Owls made 3 first and 10's. A 5 yard penalty helped the Cowboys hold the Owls on the Happy 33 yard line.

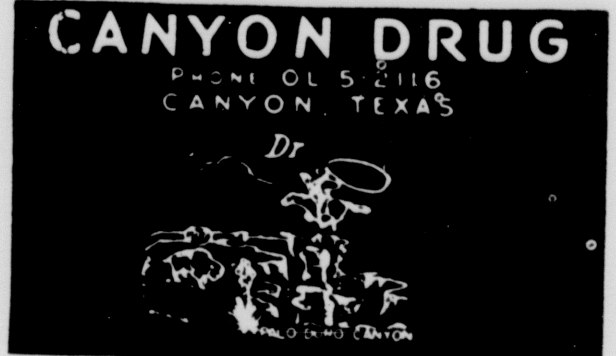

At the end of the third quarter, Happy had possession of the ball on their 27. However, Silverton took over on downs on the second play of the last quarter driving 22 yards before the Cowboys stopped them.

Happy, unable to move the ball past their 14 yard line gave the Owls another scoring opportunity. The Cowboy line held the Owls for 3 downs on the one yard line, but Monte Smith plowed through the middle on the fourth down for the fifth Silverton score.

The score stood at 34-0 for the remainder of the game.

Happy picked up 10 first downs throughout the game and Silverton made 13 first downs.

The Cowboys play Friona at the Cowboy stadium in Happy Friday night at 8 o'clock.

# Junior Buffs Romp Over South Georgia

The Canyon Junior Buffs, 8-9 years of age, moved into a first place tie with two other league members with a 22-6 romp over Amarillo South Georgia Saturday.

The Buffs are tied with two Amarillo teams, Paramount Terrace and North Heights. All are tied with 2-0 marks.

A champion for the league will be decided within the next two weeks. Canyon will meet Paramount Terrace Saturday at 2 p.m. on the junior high field. The Buffs play North Heights the following weekend.

Both teams failed to score in the first quarter Saturday. Canyon then controlled the ball most of the second stanza. The Buffs moved 54 yards in nine plays for their first touchdown. Dave Warren scored from the six yard stripe. David Lowe ran the two point conversion.

On the second half kickoff Ricky Brown of Umbarger took the piskin on his own 40 and carried it to the South Georgia two yard line. Two plays later Warren scored his second TD of the game.

In the bottom of the third period Lowe scampered 40 yards around end for Canyon's final touchdown. Robbie Carter made the score 22-0 with his two-point conversion.

South Georgia scored its touchdown late in the final period. Randy Burkett went 15 yards on a double reverse. Joe Ziegler, Mark Vaughn and

Allen Ebling were outstanding for the winners.

The Canyon Outlaws were beaten by Hamlet 14-6 Saturday.

Hamlet scored its first touchdown in the first quarter from 30 yards out. It added another

## Imps Trim Ninth Grade

Dumas rallied late in the fourth quarter Thursday to slip past the Canyon Junior High ninth graders 12-6.

The host team, Dumas, took a 6-0 first quarter lead. A 10 yard pass accounted for its first touchdown.

Jack Stephens put Canyon back in the contest in the second period. He scored Canyon's lone touchdown from five yards out.

Halftime score was knotted at 6-6.

The deciding touchdown for Dumas came with only four minutes remaining to be played. An intercepted pass was returned 60 yards to make the final score 12-6.

Canyon now has a 1-1 mark. Coach W.M. Nickell's said, "The team played a real good game. Dumas was real tough in the line defensively."

Players doing outstanding jobs for Canyon were David Rossi, defensive tackle; Richard Robinson, middlelinebacker and defensive end Charlie Bussy.

Canyon will play Stephen F. Austin of Borger at Borger today at 4 p.m.

tally in the third period. A two-point conversion was also

good, giving it a 14-0 lead. Kelley Tinsley scored the Outlaws lone TD in the fourth period. It was a 60 yard run. Outstanding for Canyon were Sandy Hair, Frank Belcher, Mike Swartzell and Tinsley.

The Outlaws play host to St. Joseph Saturday at 3 p.m. They are in the 10-11 year old group. They now have an 0-3 record.

The Canyon Buffaloes, 10-11 years of age, dropped its week-end contest to Avondale, 36-0. The Buffaloes play the Maverick Club Sunday at 3 p.m. at the Maverick Club. They have an 0-3 mark.

Public is invited to the games.

## Opposing Coaches Sing Praise Of Pistol Pete

"The decisive factor in this ball game is spelled P-E-T-R-O," said Coach Rohde, head coach of the University of the Pacific Tigers, just after his team had lost a 32-8 decision to coach Joe Kerbel's WTSU Buffaloes here Saturday night.

"Pedro broke our back," he went on.

"That Pedro is definitely all-American material and I certainly think he should be considered for it."

This is the second time in two outings that the fleet footed little gazelle from Lynn, Mass., has won praise of this type from an opposing coach this year.

Coach Claude "Chena" Gilstrap of Arlington State described Pete's ability in almost identical glowing terms last week.

"We never lost leverage on him," Chena said of one Pedro run in the Arlington State game. He just outran us, that's all."

Gilstrap said he thinks Pete

is one of the greatest backs he's ever seen perform.

"There's nothing else like him in Texas," he declared.

Said Coach Rohde, "You have a good ball club but without Pedro you'd be in trouble."

Rohde, a giant of a man with a shock of blond hair ruffled by unaccustomed Panhandle winds, talked to reporters on the run.

One of his lads had been injured and the coach, understandably, would not settle down for an interview until after he had learned his boy's condition, not serious, and had passed that information along to his other players.

Coach Kerbel said he was more pleased with the performance of his team Saturday night than with the showing it made against Arlington State the previous week.

However, he said the Buffs still have some shaping up to do.

A picnic honoring Mr. and Mrs. Albert Heffelfinger of Ashland, Ohio was held last Sunday at Elwood Park in Amarillo.

Attending the picnic were Mr. and Mrs. L.C. Robinson, Richard, Larry, Annette, Marilyn, Wayne, and Garre. Those from Panhandle were Mr. and Mrs. Lester Lusk, Connie and Don, Mr. and Mrs. W.H. Lusk, and Calvin Robinson.

Week end guests of Mr. and Mrs. Bill Harp recently were Mr. and Mrs. Charles Fowlkes and family from Borger.

Mr. and Mrs. Fowlkes have recently moved into a new home at 669 Evergreen in Borger.

Callers in the L.C. Robinson home Sunday were Miss Wilma Hexson and Mrs. Albert Heffelfinger.

Miss Hexson and Mrs. Heffelfinger were classmates at West Texas State several years ago. Mrs. Heffelfinger is the former Grace Harry.

Visiting in the Ted Allen home recently was his mother

and brother, Mrs. A.B. Fritts and Cecil Fritts, from River Road.

Annette Robinson received a 1st place blue ribbon at the Tri-State Fair in Amarillo with her 4-H dress project.

Miss Robinson made the dress for the 4-H dress review of the county and later entered it in the Fair contest. She also received a blue ribbon in the county dress review.

Rhonda Johnson was elected president of the Coyote-ette's 4-H Club at a recent meeting of the club in the home of Mr. and Mrs. Tom Dettin.

Other officers elected during the business meeting were Sharon Triplett, vice president; Vickie Starkey, secretary-treasurer; and Cathie Dettin, reporter.

A demonstration on making Cherry Strudel was given by Mrs. Dettin, the hostess. The girls will make Apple Strudel at their next club meeting.

Members attending the meeting were Kay Lynn Johnson, Mary Lou Richey, Dianna Hill, Marjorie Dettin, Rhonda Johnson, Sharon Triplett, Vickie Starkey, and Cathie Dettin.

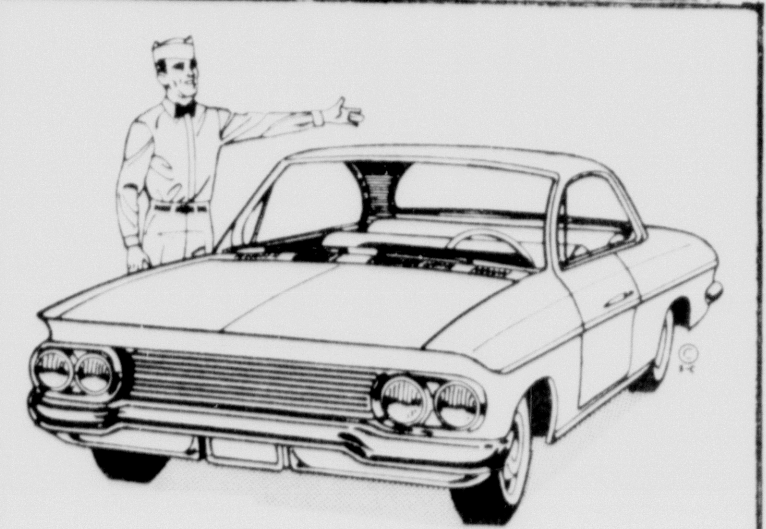

The first few days of the first grade at school came to a halt for Christie Bonifield when she caught a case of the mumps.

## T.R. Wrights Return Home

Mr. and Mrs. Thomas R. Wright have returned from a vacation trip to California where they visited with their daughter's family, Mr. and Mrs. E.G. Cope and children, Janice, Robert, Michael, and Richard, in Palo Verde Peninsula.

The Wrights also stopped in San Diego, California for a visit with friends. They visited with five different couples that were close friends while serving with the Navy.

Enroute home they drove through the Salt River Canyon and spent some time sightseeing in the western states.

## Scout Pack 131 Begins New Year

Cub Scout Den 3, Pack 131, held their first fall meeting recently at Buffalo Lake for a boating excursion under the supervision of the J.D. Byrds.

The group of boys have also made a field trip to the science department at West Texas State University where Professor Charles E. Wright gave them an informative tour of the science facilities.

Gifts for a number of men who helped with their activities last year were made by the boys at their most recent meeting.

## Carter Speaks

Rev. N.D. Carter of Canyon was guest speaker at the Tulla Missionary Baptist Church in Tulla last Sunday.

Rev. Carter spoke in the absence of the churches pastor, Rev. Otto Hillis.

Mrs. J.D. Byrd is the den mother for the group this year. Members of the Den are Alan Dale Beghtel, Jim Bob Brown, Billy Byrd, Nelson Bullard, Jerry Don Risner, Larry Hendrickson, Chuck Wright, and Gregg Winn.

Mrs. R.E. Farmer spent last week in Clovis, New Mexico visiting with her cousin, Mrs. Grace Swain.

Eddy and Judy Farmer, children of Mrs. Farmer, rode the bus to Clovis last week end to spend a few days with their mother and Mrs. Swain.

The group was joined by Mr. Farmer Sunday afternoon and returned to Canyon with him that evening.

NO. 34...EARL WEST...  
HALFBACK...6-3, 190, a  
junior from East Orange, New  
Jersey. Earl has come on  
strong in the two opening games  
for the Buffs this year at the  
defensive corner position. He  
is understudying Jerry King at  
the present time but seeing  
more duty each game. His  
tackling and pass defense has  
improved with great strides. He  
has good speed and hands, won  
the New Jersey State high hur-  
dles championship as a senior  
and led his school football team  
to the state championship in  
1958. Earl is single, majors  
in elementary education and  
plans to teach and coach after  
graduation. His improvement  
on the football field can mean  
very much to the Buffs season  
record this year.

NO. 83...QUINTON EPPINETTE...  
END...6-1, 190, a  
senior from Dumas. Quinton  
is carrying on in the fine tra-  
dition set by Dumas high school  
football teams. Now in his  
fourth season at West Texas,  
Quinton is one of those solid  
players who gives you a good  
performance in every ball  
game. The highlight of his Buff  
football career came last Satur-  
day night when he intercepted a  
U. of Pacific pass and returned  
it 93 yards for a touchdown.  
His defensive play has been out-  
standing this year. Quinton was  
converted to end from fullback  
in his sophomore year, a change  
coach Kerbel has never regret-  
ted. He played quarterback for  
3 years while at Dumas and he  
was a member of Dumas Na-  
tional Honor Society. He ma-  
jors in industrial arts and plans  
on a teaching career. Quinton  
is married and lives in Canyon.  
His wife, Betty, teaches at Can-  
yon Grade School. The key to  
Quinton's success is continuous  
effort, a determined style of  
play.

NO. 61...DOUG BROWN...  
CENTER...6-1, 190, a sopho-  
more from Fort Worth, Texas.  
He is a fine sophomore center  
prospect who gives the depth  
to the position. Doug lettered  
on the freshman team last fall,  
played very well. Doug has a  
lot of drive, a scrappy, hard  
working performer. He some-  
times fills in at halfback or full-  
back on the scouting team dur-  
ing practice sessions when the  
shortage arises at these po-  
sitions.  
He made Class 4-A All-State  
and All-District while at East-  
ern Hills High School. He was  
a 4 sport athlete competing in  
football, basketball, and base-  
ball and golf. Doug majors in  
marketing but is undecided  
about the future. He is very  
fast for his position and is  
learning well. Doug may not  
see a lot of action this year,  
but the coaching staff feels he  
will be of much help to the Buffs  
for the next two seasons.

equately on offense as second  
string quarterback. His im-  
provement has delighted coach  
Kerbel. Against U. of Pacific,  
Bill played the best game of his  
career making numerous tack-

# Happy Pioneer Recalls Early Panhandle Days

Through drought, duststorms and the depression of the 1930's Mrs. Ernest White's opinion of Happy never changed. Mrs. White recalled her first days in Happy and how at the age of 11 years old, she tried to help her family make a living on the drought-stricken land in the Panhandle town of Happy. "We moved to Happy from Nebraska, and Mother and Dad had high hopes of making a good living on the land," she recalled. But not all was with the growing family. No rain, a lack of equipment and the wind blowing across the fields kept the crops from maturing. "My father decided to work on wells instead of farming. I remember hearing him drive the buggy in around midnight from working on a well as far off as Wayside," Mrs. White said. But to this oldest child of 11 children, life was good and always happy. She took it in her stride to walk two miles down

the railroad track to school every day. She did not question the household duties that all the children shared after school. "While walking to school, I always carried a book and read the two miles there and the two miles back. My brother and sisters were attending the old Johnston school because they were still too young for the 8th and 9th grade. So I walked by myself," she pointed out. But one of the warmest memories Mrs. White has is returning home on those cold afternoons and finding hot bread and milk waiting for her. "Mother would bake us fresh bread and have it piping hot for when we got home from school. I guess I'll never forget those afternoons," the Panhandle pioneer said. Mrs. White recalled other experiences typical of the area at that time. "We would all pile in the wagon and drive to the canyons and pick berries and grapes for preserves. We would be gone all day, but we would have a wonderful time. I realize now they weren't always pleasure trips. We had to have those berries and grapes for food for the winter," she explained. "Oh, and one time I recall riding in the family buggy to Amarillo with Daddy. We left early in the morning and got back way into the night. We didn't have the money for cars then, so all our travelling was done with a horse and buggy," she recalled. But the biggest thrill for this little girl on the prairie came one night when the train rolled into town with a circus aboard. Mrs. White remembered how excited the children of the small town were. "Everyone was talking about the Molly Bailey Circus. I don't know how my parents managed to let us all go, but they did. I remember it as being a pretty good circus, al-

though it was only here one night," she continued. Mrs. White married in 1917 and the couple moved to a small house two miles south of Happy. "I got married when I was young, but as newly-weds we had a lot. My husband had a farm and a place to live, so we were doing pretty good," she commented. And in 1917 being able to live comfortably without being in debt was doing very well. The Whites had their own garden and they kept chickens and cows. "I walked each day with the eggs to Happy to sell them. In those days we didn't mind walking. We lived two miles from town, and when we wanted to go to the show we always walked," she said. The young couple did begin having farm trouble, as all the farmers did. The sand storms were disastrous to the crops and for the first and only time they went into debt in order to buy a tractor. "I guess that was the only time we ever borrowed money, because then you didn't count on making the crop the next year. If you didn't have the money you didn't buy anything," she explained. But Mr. and Mrs. White knew how to be conservative. "I taught music for about a year. I walked to town each day, instead of having my pupils having to come clear out to our house," she said. Mrs. White learned that a woman's work on a farm is not confined to the house. "I learned to do everything on the farm; I had to. Everyone pitched in and helped with the chores, and even today there are a few odds and ends I will help with," Mrs. White continued.

DONE BY HAND says Mrs. Ernest White of Happy when she was 11 years old. Mrs. White Happy as she refers to the china painting she has says that the name of the small Panhandle town done in her home. Mrs. White has her own of Happy is the same word to be used for her life. kiln for firing the painted pieces. She moved to

The hardest time for the family was in the '30's during the Depression. "The sand blew so much and so hard, that our crops were ruined. You won't believe this, but I have taken a scoop and literally scooped sand out of my house. A broom would not get it all," she recalled. "The government came out here then and killed the cattle. It was terrible," Mrs. White exclaimed. The three White children, who are all grown, kept Mrs. White's interest for many years, but after they all left home, she found many of her hours needing filled. So the woman, who was used to being constantly active, began china painting. She took lessons for several years, but now finds joy in just doing what comes naturally to her. Her home is filled with plates, cups, mugs and saucers which she paints and fires in her own kiln. But her list of hobbies does not end with china painting. She makes table clothes for every possible occasion, she sews bed pillows for her friends and she takes an active part in the music and study clubs. For this woman who first moved to the Panhandle in the early 1900's she has found that hard work has been responsible for much of her happiness. "You have to work hard for anything that is worth while," Mrs. White concluded.

## FFA Members Win At Fair

Senior members of the Canyon Future Farmers of America won second place with an exhibit at the Tri-State Fair in Amarillo several weeks ago. The local FFA chapter received \$55 for the senior exhibit called 'Midland Bermuda', which was entered in the educational division. Members of the senior class are Dean Anderson, Claiborn Crain, Bobby Evans, Eddie Evers, Don Hawkins, Marion Hicks, Scott Holcomb, Skip Moore, Jim Newton, Danny O'Donald, Don Rogers, John Sikes and Lee Trammel. Leon Bagwell and Rodney Myrick are the vocational agriculture teachers in Canyon. Robert Ham exhibited a cattle squeeze chute, which he made. He placed first place in the Farm Mechanics exhibits. Ham received \$35 for his placing. Elo Myers built a combination battery charger-power plant and entered it in the Farm Classified ads in The Canyon News get fast results.

## Historical Comittee Meets

A 28-county regional meeting of the County Historical Survey Committees will be held Sunday afternoon in the West Texas Museum Auditorium in Lubbock with six Canyon persons attending.

Mrs. T.B. McCarter, chairman of the Randall County Historical Survey Committee will make a report on what Randall County has been doing to preserve the history of Texas.

Principal activities of the local historical survey committee have been to place an historical marker at the T-Anchor Ranch. Canyon Chamber of Commerce financed the marker for the ranch.

The committee has also been interested in placing historical markers on civil war veterans graves at Dreamland Cemetery. "Many of the graves are not marked, and in order to put markers on the Civil War veterans' graves, we must have information concerning the organization they served in," Mrs. McCarter pointed out.

She continued to urge persons with relatives buried at Dreamland who served in the Civil War to contact and give to her the needed information.

Speaking to the group at the regional meeting will be Dr. W.C. Holden, director of the West Texas Museum, Mrs. D.M. Parmelee, director of research of the Texas State Historical Survey Committee, Preston Smith, lieutenant governor of Texas, and John Ben Sheppard, committee president.

Attending from Canyon are Mr. and Mrs. McCarter, Mr. and Mrs. A.M. Warren and Mr. and Mrs. Jack Taylor.

"We urge everyone interested in Texas history to attend this meeting. You do not have to be a member of the Randall County committee to participate," Mrs. McCarter said.

## Faculty Wives Given Coffee

An informal coffee was held at the home of Mrs. Claude Boatman last Saturday morning to honor the wives of new faculty members in the science department at West Texas State University.

A swan set among lilac, blue, purple and rose toned flowers centered the serving table that was laid with a lace cloth. Appointments of silver were used. Guests were served an assortment of cookies, nuts, and coffee or tea.

Wives of new faculty members who attended the coffee were Mrs. James Wyllie, Mrs. Dan Powell, Mrs. Kenneth Wilson, Mrs. George Estok, Mrs. Frank Daugherty, and Mrs. Ray Malvain.

Other guests present were Mrs. Jack Hughes, Mrs. Charles Smallwood, Mrs. Jimmy Green, Mrs. Robert Cooper and the co-hostesses, Mrs. Robert Busted and Mrs. Marvin Beasley.

# Mrs. Nora Gilmore Given National Teaching Award

BY MARCO WILLIAMS  
"We need to promote the love of learning in our youth of today."

So spoke Mrs. Nora Edna Gilmore of Canyon, the recipient of the National Valley Forge Award for outstanding classroom teaching in public schools.

It is easy to see why Mrs. Gilmore, who has been teaching in the Canyon school system since 1943, received the national award for her work as a teacher.

She has maintained a constant interest in the mental and physical development of the youth of America through years of working with area youngsters. "It is so important that our children be exposed to what their life will be if they don't finish school. I wish we could project into the future about 10 or 15 years and show those

people who drop out of school what hardships they will have with no education," Mrs. Gilmore said.

But the eager retired school teacher is also concerned about the void in the education system which stops the brighter students from advancing at a faster rate.

"We have done much for the slower students, but in the future we need to have the advanced students move ahead rapidly. With the coming nuclear age our future youths must go further in their education than is required of today's young people," she continued.

Mrs. Gilmore spoke of a speech she heard this summer while attending the American Association of University Women National convention in Denver. The speaker pointed out in this talk that the next generation will have to be scientific in their thinking.

"He (the speaker) said that the engineers will be the white collar workers and the scientists will make up the higher echelon. Whether this is true or not remains to be seen. But it does show that our children are going to have to take their education very serious in the years to come," Mrs. Gilmore said.

The Valley Forge Award, which will be presented to Mrs. Gilmore later in the year, is

presented to teachers throughout the United States whose teaching shows "exceptional classroom work in behalf of responsible, patriotic citizenship and the American Way of Life."

The letter received by Mrs. Gilmore explaining the award goes on to say that her work "has been singled out by the Freedoms Foundation's Distinguished Awards Jury as an important, professional contribution to maintaining our American Constitutional Republic."

Mrs. Gilmore will be presented with a dogwood blossom medal and a distinctive citation.

"I was so surprised to receive the notice telling me of the honor," she explained.

Mrs. Gilmore was born Nora Edna Cowart to Mr. and Mrs. P.E.C. Cowart in Donie, Texas. Her family was living in Ranger at the time, and they remained there until 1900.

"I was 7 years old when we moved to Silverton and my father opened a general merchandise store. We had gone to Silverton to buy land, but Dad was unable to get any so he opened his store and mother helped him," she recalled.

The young girl, who was later to become a top school teacher, finished high school in Silverton in 1910.

"We only had 10 grades then, and after I finished all I could get in Silverton, I was going to college," she said.

But she was only 14 years old, and her parents felt she was too young to go off to school. After a year working in her home town, she bundled up her possessions and began her formal 'higher education' at Seth Ward College in Plainview.

"I majored in piano and minored in public speaking, but I stayed only 3 years," she continued.

In 1915 she married J. Lee Gilmore of Turkey. Gilmore was superintendent of the Silverton public schools at that time. A year later he accepted the position as superintendent of the Turkey schools.

"We were making \$100 a month then, and we thought we were rich," Mrs. Gilmore laughingly recalled.

The couple came to Canyon in 1933 for a year in order for both of them to finish work on their bachelor degrees. Mr. Gilmore accepted the job as superintendent of the Wheeler schools and Mrs. Gilmore was head of the English department at Wheeler High School.

In 1943 they returned to Canyon, this time permanently. Mr. Gilmore began teaching physics to the air corps students at West Texas State and Mrs. Gilmore taught in the junior high and senior high schools.

"I taught English and civics in the junior high school, and English and journalism in the senior high school," she said. Mrs. Gilmore remained as English and journalism teacher at Canyon High School until her retirement in 1962. Her husband was a math instructor at WT until his death in September of 1961.

And what does she think of retirement? Mrs. Gilmore stated, "Sometimes I wish I were back in the classroom teaching the children, but I am kept so busy with travelling, various civic organizations and my church work that I would not have the time."

Drawing a comparison between schools in her earlier life and schools now, Mrs. Gilmore observed, "Schools have advanced in efficiency. I think that if my son (who is a math professor at Texas Tech in Lubbock) had been in schools like mine, he would probably not be where he is now. We had no science or math in those days. I wish children realized the opportunities they have to develop their abilities," the national Valley Forge Award winner concluded.

Don Davis of Pampa visited last week end with his parents, the M.E. Davises.

VALLEY FORGE AWARD WINNER, Mrs. Nora Edna Gilmore, was notified last week of the national award she received for her exceptional work in classroom teaching. Mrs. Gilmore began teaching in Canyon in 1943, and retired in the spring of 1962. The local chapter of Classroom Teachers recommended her for the honor.

## Electric Bills To Be In Envelopes.

Don't throw that envelope away, it may be your electric service bill.

So said Joe H. Gidden, manager for the Southwestern Public Service Company office in Canyon.

The change from the postcard bill, which has been in use for a number of years, is the result of the installation of new electronic billing equipment.

The new envelope, white in color with a green block, is clearly marked on the outside as an electric service bill. Enclosed along with the new statement is a return envelope. The stub from the bill should be enclosed with the payment, the same practice that has prevailed in the past.

Billing time for Canyon residents will not change with the new process.

Gidden pointed out that a new feature in the billing system might encourage more customers to use the bank draft method of payment. He said that the objection to this method

Visiting with Mr. and Mrs. J.L. Hammons recently was his brother, Jim Hammons, from San Bernardino, California.

Also visiting in the Hammons home recently were Mrs. Dale Anderson and Theo Walker all of Green Forest, Arkansas. Mrs. Anderson is a sister of Mrs. Hammons.

## Reynolds Heads WMU

Mrs. James Reynolds was installed as president of the Woman's Missionary Union of the Calvary Baptist Church at installation ceremonies held last Sunday evening.

Installing officers for the program was Mrs. Ray Hawkins from the First Baptist Church of Canyon. The installation table was centered with a football decorated with maroon and white and flanked by white candles. Bible markers shaped like footballs were presented to the officers following the installation program.

Other officers installed were Mrs. D.C. Lindley, vice president and program chairman; Mrs. Bob Ennis, secretary; Mrs. Bill Sherer, treasurer; Mrs. Roland Farmer, publicity; and Mrs. A.S. Bednorz, social chairman.

Directors for the youth program include Mrs. O.C. Free, Sunbeams; Mrs. Taft Reynolds, Girl's Auxiliary; and Mrs. Bob

Brown, Young Woman's Auxiliary.

Mrs. Leroy Miller was installed as the community missions chairman and others were Mrs. Charles Huffines, stewardship chairman; Mrs. C. J. Stall, missionary study; and Mrs. Jack Boyett, prayer chairman.

## Film Series Last Show Tonight

The first show in the Canyon Community Film Series began Wednesday and will have its last showing tonight (Thursday) at 8 p.m. in the Olympic Theater. "Long Day's Journey Into Night" is the first in the 1963 series to be shown for Canyon adults.

Admission charge is \$1 and a membership card is not necessary.

Starring in the film are Katharine Hepburn, Ralph Richardson, Jason Robards, Jr., and Dean Stockwell.

## Jaycees Will Aid 4-H Club

Canyon Junior Chamber of Commerce has offered to help out in 4-H Club work in Randall County.

The group specifically is interested in 4-H horse and pony projects.

County Agent John Brazzil Saturday morning told Canyon Jaycees that some 270 boys and girls are involved in 4-H Club work in the county. He said horses and ponies have been projects of some.

He noted that 140 projects are available to youngsters through

the program.

Brazzil told the Jaycees that the need in 4-H work is for adult helpers and asked if some of the Jaycees could spend some time in this undertaking.

He reviewed 4-H work here for the past two years and told of the adding of horse projects to the January livestock show.

## '64 Jet-smooth Luxury CHEVROLET

**Besides looks, ride and power - what's so special about it?**  
(it's so reasonably priced)

Kind of leaves the high-priced cars some explaining to do, wouldn't you say? Long and luxurious—with a fresh-Christened look. Richer roomy interiors with subtle new blendings of colors and fabrics. Like the ultra-soft vinyl upholstery in the new Chevrolet Impala Super Sport Series.

A choice of seven engines, no less, with output all the way up to 425 hp.\* And a choice of four smooth transmissions to go with them.

And underlying it all, the opulent feel of this '64 Chevrolet's Jet-smooth ride.

Matter of fact, the most noticeable difference between this beautiful new 1964 Chevrolet and the high-priced cars is the price itself.

Let your dealer show you how much luxury that reasonable Chevrolet price now buys.

See five entirely different lines of cars at your Chevrolet Showroom—CHEVROLET, CHEVELLE, CHEVY II, CORVAIR & CORVETTE
